The Longest Night Lindsey Pogue 2019-08-09 "Holy apocalypse! Once again, Lindsey Pogue has taken young adult reading and twisted it into a riveting fight for survival with characters that jump off the pages." Tome Tender, Book Blog Alaska can be a bleak and dangerous place, especially in the dead of winter. But when hair-raising whispers about an outbreak reach the small harbor town of Whitely, the townspeople face a new, unfathomable fear—the virus is coming for them. Life seemed complicated for Sophie Collins when she had teen pregnancy and her squeaky-clean reputation as the mayor's daughter to worry about. But strict schedules and perfectly groomed hair become yesterday's concerns as bloodcurdling screams pierce the night air and lurid memories haunt feverish dreams. Weak and alone, Sophie must survive the longest, most terrifying night of her life and pray she won't be the only one left when she wakes. Alex Ortiz is the new kid from the wrong side of the tracks, and trouble seems to follow him wherever he goes. It's all he can do to keep his head down until his eighteenth birthday when he can leave his life in foster care behind him. But Alex doesn't realize he and the quiet girl from class with lonely, blue eyes are fated in the most impossible way imaginable. Death is everywhere, and even in the gray dawn of morning, after the fever subsides and the world echoes in silence, Alex will have to face his darkest demons yet. After The Ending Lindsey Fairleigh 2018-12-17 They may have survived the apocalypse, but the Virus changed them...

After the Ending (the Ending Series, #1) Lindsey Fairleigh 2018-09-25 The first book in the emotionally charged post-apocalyptic series, The Ending. They may have survived the apocalypse, but the Virus changed them... Grad student Dani O'Connor won't let a cross-country move end her closest friendship. But when a mysterious virus consumes the world and Dani, herself, falls violently ill, she fears she'll never see her loved ones again. After her fever finally breaks, she barely recognizes the devastated world around her. Everyone is dead. Dani is all alone. Or so she thinks... As a bartender, Zoe is used to dealing with hotheads and dirtbags, but nothing could have prepared her for the twisted thoughts of her fellow survivors. Her family is gone, and anyone left alive in the world is either sick, crazy, or changed...like her. As her newfound super senses gain strength, Zoe must learn to control them before she loses herself to madness completely. Perilous terrain spans the distance between them, and deranged survivors lurk in dark corners everywhere. Can Dani and Zoe overcome deadly attacks and unseen dangers in order to find each other? Or will they lose their way--and their lives--along the journey? After The Ending is the first book in the evocative, superpowered post-apocalyptic adventure, The Ending Series. If you like unbreakable friendships, gritty dystopian settings, and a touch of romance, then you'll love Lindsey Pogue and Lindsey Fairleigh's heart-wrenching tale. Judgement Lindsey Fairleigh 2018-01-13 When our universe falls in the gods' crosshairs, only one woman can stand against them... Kat Dubois. Immortal. Ex-assassin. Humanity's last hope. Kat has finally embraced her role as the Nejeret figurehead, diving headlong into the mission to forge an alliance between her people and the human race. Only then, will they finally be able to defeat the Senate. Progress is painfully slow, and not remotely steady...until a terrorist attack provides Kat with a lead that just might turn the tide of the war. But a visitor from another universe appears in the middle of the chase, blindsiding Kat with a threat more deadly than the Senate--the Netjers and their leader, the Mother of All. Kat must travel to the Netjer universe if she is to have any chance of saving her own. What she finds there will change everything... Mechanisms of Migration in Fishes James D. McCleave 2013-03-13 The last major synthesis of our knowledge of fish migration and the underlying transport and guidance phenomena, both physical and biological, was "Fish Migration" published 16 years ago by F.R. Harden Jones (1968). That synthesis was based largely upon what could be gleaned by classical fishery-biology techni.ques, such as tagging and recapture studies, commercial fishing statistics, and netting and trapping studies. Despite the fact that Harden Jones also provided, with a good deal of thought and speculation, a theoretical basis for studying the various aspects of fish migration and migratory orientation, progress in this field has been, with a few exceptions, piecemeal and more disjointed than might have been expected. Thus we welcomed the approach from the NATO Marine Sciences Programme Panel and the encouragement from F.R. Harden Jones to develop a proposal for, and ultimately to organize, a NATO Advanced Research Institute (ARI) on mechanisms of fish migration. Substantial progress had been made with descriptive, analytical and predictive approaches to fish migration since the appearance of "Fish Migration." Both because of the progress and the often conflicting results of research, we felt that the time was again right and the effort justified to synthesize and to critically assess our knowledge. Our ultimate aim was to identify the gains and shortcomings and to develop testable hypotheses for the next decade or two.

America Offline William H Weber 2020-03-02 A devastating cyber-attack. A deadly winter storm. And a lone man who will stop at nothing to save his family. The largest snowstorm in a hundred years is barreling down on the northern United States. When it hits it will bring over a meter of snow and numbing arctic winds. Some are prepared. Most are not. But something infinitely more dangerous is also on its way--a multi-pronged cyber-attack that will destroy the power grid, crippling the country at the worst possible moment. Like millions of others, ex-cop Nate Bauer and his family are bracing for the coming storm, unaware that it will test them in ways they could never have imagined. For hidden deep within the malignant code lies an even greater threat. One that holds the potential to destroy America forever. In the end, only a single question will matter. When the lights go out for good, who will have what it takes to survive?

Echo in Time Lindsey Sparks 2021-06-16 The first book in the time-bending mythological saga, the Echo Trilogy. Their love is destined to shatter the boundaries of time... Archaeology grad student Alexandra Larson's world is turned upside down when her mother shares her deepest, darkest secret—that she doesn't know the true identity of Lex's father. The revelation sparks a change within Lex, and her dreams become far too real. She sees things she shouldn't be able to see...knows things she couldn't possibly know. Terrifying things. Deadly things. To distract her from the surreal changes taking over her life, Lex leaps at the chance to join an Egyptian excavation run by Oxford's enigmatic Professor Marcus Bahur. But the distraction might be more than she bargained for. While deciphering the secrets of a mysterious stone tablet, Lex falls headlong into a prophecy created by a dying god over four millennia ago. She must rely on her frightening new psychic powers to dig up the truth. And it doesn't take long for her visions to convince her that both Professor Bahur and his excavation are much more than they seem... The past clashes with the present in this paranormal saga of ancient prophecies and warring gods. If you like Egyptian mythology, steamy romance, time-bending mysteries, and complex characters, then you'll love this sprawling time travel adventure. Savage North Chronicles: The Complete Post-Apocalyptic Survival Series Books 1-6 Lindsey Pogue 2020-11-10 Prepare to feel the cold in your bones in this soul-stirring series about six strangers who face the horrors of a virus-ravaged world, and the hope, love, and family they find in one another along the way. These are the Savage North Chronicles. Over 2,000 pages of superhuman abilities, harrowing adventures, and heartwarming moments that will give you all the feels. What readers are saying... ? ? ? ? ? "One of the most beautiful series ever read." - Amazon Reviewer ? ? ? ? ? "You feel the lump in your throat, the tears in your eyes, and the fullness in your heart. That's what these characters, this series gives to me." - Jennifer G, Vine Voice ? ? ? ? ? "I was obsessively in love!" - Carol Goodreads Addict Reviews ? ? ? ? ? "The chemistry between Elle and Jackson smolders." - Amazon Reviewer ? ? ? ? ? "At roughly 3am I knew sleep was not happening!" -Amazon Reviewer Savage North Chronicles Reading Order: 1. THE DARKEST WINTER Elle - Haunting shadows are nothing new to Elle St. James, she's been running from them all her life. But since the outbreak spread from the lower forty-eight, new monsters lurk in the darkness. After Elle wakes from the fever, capable of horrific deeds, she fears she's one of them. Jackson - After the world goes mad and takes his family with it, Jackson Mitchell tosses aside his badge and decides a bottle of bourbon and the depths of despair are preferable to any semblance of living. All of that changes, however, when a group of young survivors are in dire need of his help and Jackson sacrifices his blissful oblivion in order to keep them safe. Brought together under the worst possible circumstances, Elle and Jackson must face the inexplicable realities of the new world. Their past lives are over, and the arctic isn't all that's savage anymore. 2 THE LONGEST NIGHT, prequel novella Life seemed complicated for Sophie when she had teen pregnancy and her squeaky-clean reputation as the mayor's daughter to worry about. Now, everything is changed. Bloodcurdling screams pierce the night air and lurid memories haunt feverish dreams. Alex is the new kid from the wrong side of the tracks, and it's all he can do to keep his head down until his eighteenth birthday when he can leave his life in foster care behind him. But Alex doesn't realize he and the quiet girl from class with lonely, blue eyes are fated in the most impossible way imaginable. 3. MIDNIGHT SUN The six of them survived the Alaskan winter after the Virus devastated the North, but summer in the land of the midnight sun is fraught with a brutality of its own—long, grueling days, mosquito-ridden evenings, and woods with lurking shadows more dangerous than grizzlies. 4. FADING SHADOWS Crazed survivors and Ability-hungry madmen aren't the only repercussions of the Virus, and when a new, unforeseen danger threatens the townspeople, Kat must embrace her unharnessed Ability she's been trying for years to avoid. 5. UNTAMED Beau has learned to embrace his Ability, but when he loses his best friend, Beau's world crumbles all over again. Brokenhearted, he embarks on a transformative journey of self-discovery, fraught with danger and adventure, and most unexpectedly, love. But the scars left in the wake of the Virus run deeper than Beau can possibly imagine. 6. UNBROKEN Thea fears the moment she'll have to use her telekinesis again. After all, the mere flick of her wrist in the heat of the moment could prove fatal for someone she loves, and she already has enough blood on her hands to last her a lifetime. So, Thea jumps at the chance to shrug off the shadows of her youth and prove to herself she's unbroken. Hunter and Thea have never gotten along, and three weeks together could be Hunter's undoing...just not in the way he's expecting. Silent Hill Bernard Perron 2012-01-03 Silent Hill: The Terror Engine, the second of the two inaugural studies in the Landmark Video Games series from series editors Mark J. P. Wolf and Bernard Perron, is both a close analysis of the first three Silent Hill games and a general look at the whole series. Silent Hill, with its first title released in 1999, is one of the most influential of the horror video game series. Perron situates the games within the survival horror genre, both by looking at the history of the genre and by comparing Silent Hill with such important forerunners as Alone in the Dark and Resident Evil. Taking a transmedia approach and underlining the designer's cinematic and literary influences, he uses the narrative structure; the techniques of imagery, sound, and music employed; the game mechanics; and the fiction, artifact, and gameplay emotions elicited by the games to explore the specific fears survival horror games are designed to provoke and how the experience as a whole has made the Silent Hill series one of the major landmarks of video game history.

One Night of Scandal Teresa Medeiros 2013-11-08 Can one night of scandal lead to a lifetime of love in this delightful Regency? Carlotta Anne Fairleigh has spent most of her girlhood savoring the thrilling pleasures of Gothic novels. She dreams of writing her own story of murder and mayhem, but when a bungled spying attempt ignites a torrid scandal on the very night of her debut into London society, she finds herself cast as the reluctant heroine in a real-life drama. Her reputation in ruins, she finds herself whisked away to a forbidding mansion on the rugged coast of Cornwall by Hayden St. Clair, the man society has dubbed "the Murderous Marquess." The intrepid Lottie refuses to be intimidated by the ghost of his first wife, who is rumored to wander the mansion by night, wailing for justice. It is Hayden himself who proves to be the greatest danger. For only by surrendering herself to him, body and soul, can she discover if the seductive pleasures of his touch will bring her chills or thrills, doom or delight. Anxious and reclusive, Cora Blackthorn uses online gaming as her sole tether to the outside world. Due to a condition that makes human touch crippling, she lives her life confined to a small island in the Puget Sound, never accompanying her mother on her tomb-raiding adventures. But when her mom sends home a cryptic SOS in the form of a mysterious package, Cora discovers the shocking truth behind her extraordinary affliction. Her condition isn't an illness; it's a gift not of this world. Armed with a powerful, alien amulet and her mother's journal, Cora heads to Rome on a desperate rescue mission. But on the way, she discovers that a secret society is hot on her trail, and she has no chance of outrunning them. Her only chance is to confront them head on. A clash within the twisty catacombs beneath Vatican City leaves Cora with a perilous choice: find her way through an ancient, deadly labyrinth and save her mom, or fail and die... Ricochet Through Time Lindsey Fairleigh 2021-02-10

After The Ending Lindsey Pogue The first book in the emotionally charged post-apocalyptic series, The Ending. They may have survived the apocalypse, but the Virus changed them... Grad student Dani O'Connor won't let a cross-country move end her closest friendship. But when a mysterious virus consumes the world and Dani, herself, falls violently ill, she fears she'll never see her loved ones again. After her fever finally breaks, she barely recognizes the devastated world around her. Everyone is dead. Dani is all alone. Or so she thinks... As a bartender, Zoe is used to dealing with hotheads and dirtbags, but nothing could have prepared her for the twisted thoughts of her fellow survivors. Her family is gone, and anyone left alive in the world is either sick, crazy, or changed...like her. As her newfound super senses gain strength, Zoe must learn to control them before she loses herself to madness completely. Perilous terrain spans the distance between them, and deranged survivors lurk in dark corners everywhere. Can Dani and Zoe overcome deadly attacks and unseen dangers in order to find each other? Or will they lose their way--and their lives--along the journey? After The Ending is the first book in the evocative, superpowered post-apocalyptic adventure, The Ending Series. If you like unbreakable friendships, gritty dystopian settings, and a touch of romance, then you'll love Lindsey Pogue and Lindsey Fairleigh's heart-wrenching tale. Book of Souls Nadine Nightingale 2018-01-07 They call me Angel of Death, but my name is Nisha Blake. I am Shepherdstown's living urban legend. My life, a tale of the macabre. People avoid me like the plague. Well, everyone but my friends. They don't see the Angel of Death when they look at me. They see poor, broken Nisha-the bully victim, suffering from vicious night terrors and vivid hallucinations. Things take a turn for the worse when Blaze shows up. He's a too hot, tattooed, bad-ass MMA fighter from London, hell-bent on getting to know me. Since he walked into my miserable life, my hallucinations graduated to a point where I can no longer differentiate between fiction and reality. I am insane. Broken beyond repair. Or so I think until- I uncover a secret from the past-a link between all the deaths, my hallucinations, and my night terrors. It's then I understand I'm not the Angel of Death. I am something else. Someone else.
