Ruins on Stone Hill F. P. Spirit 2016-12-06 Mix magic and mystery with four novice heroes and trouble is sure to follow. A dark malevolence threatens Ravenford--the town under siege by forces unknown. Their only hope may lie in four newcomers: Lloyd, a young warrior with blades of fire, Glolindir, an elven wizard as deadly to his friends as his enemies, Seth, a cynical halfling who may be an assassin, and Aksel, a quiet gnome whose very touch can heal. From eerie woods to haunted ruins, secret passages to hidden rooms, they must unearth the root of the darkness that has Ravenford at its mercy. With death breathing down their necks, will they rise to the challenge and become the heroes that Ravenford so sorely needs?

Shadow on the Mountain Margi Preus 2012-10-01 Shadow on the Mountain recounts the adventures of a 14-year-old Norwegian boy named Espen during World War II. After Nazi Germany invades and occupies Norway, Espen and his friends are swept up in the Norwegian resistance movement. Espen gets his start by delivering illegal newspapers, then graduates to the role of courier and finally becomes a spy, dodging the Gestapo along the way. During five years under the Nazi regime, he gains—and loses—friends, falls in love, and makes one small mistake that threatens to catch up with him as he sets out to escape on skis over the mountains to Sweden. Preus incorporates archival photographs, maps, and other images to tell this story based on the real-life adventures of Norwegian Erling Storrusten, whom Preus interviewed in Norway.

The Book of the Secrets of Enoch William Richard Morfill 1997-06 1896 Translated from the Slavonic by W.R. Morfill. Reader in Russian and the other Slavonic languages. Watching You Lisa Jewell 2018-09-11 With every twist and turn you don't know what's going to happen. Another Lisa Jewell classic..... Melville Heights is one of the nicest neighborhoods in Bristol, England; home to doctors and lawyers and old-money academics. It's not the sort of place where people are brutally murdered in their own kitchens. But it is the sort of place where everyone has a secret. And everyone is watching you. As the headmaster credited with turning around the local school, Tom Fitzwilliam is beloved by one and all—including Joey Mullen, his new neighbor, who quickly develops an intense infatuation with this thoroughly charming yet unavailable man. Joey thinks her crush is a secret, but Tom's teenaged son Freddie—a prodigy with aspirations of becoming a spy for MI5—excels in observing people and has witnessed Joey behaving strangely around his father.
