DEMOCRACY IN AMERICA ALEXIS DE TOCQUEVILLE

subject to the test of reason the basic principles of free government that had been embodied in our Constitution. This was the mission of De Tocqueville, and no mission was ever more honorably or justly conducted, or concluded with greater éclat, or better results for the welfare of mankind. His researches were logical and exhaustive. They included

The Challenge of Cultural Relativism - University of Colorado ...

6. It is mere arrogance for us to try to judge the conduct of other peoples. We should adopt an attitude of tolerance toward the practices of other cultures. Although it may seem that these six propositions go naturally together, they are independent of one another, in the sense that some of them might be false even if others are true.
