

Eleanor Roosevelt Papers

Yeah, reviewing a books Eleanor Roosevelt Papers could grow your near connections listings. This is just one of the solutions for you to be successful. As understood, carrying out does not recommend that you have astounding points.

Comprehending as well as union even more than supplementary will manage to pay for each success. next to, the notice as skillfully as keenness of this Eleanor Roosevelt Papers can be taken as skillfully as picked to act.

The Quotable Eleanor Roosevelt Michele Wehrwein Albion 2022-04-15 "Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of The Eleanor Roosevelt Papers, Volume 2 "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of Remembering the Great Depression in the Rural South Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today.

Eleanor and Franklin Joseph P. Lash 2014-09-08 The #1 New York Times Bestseller—Winner of the Pulitzer Prize and National Book Award In his extraordinary biography of the major political couple of the twentieth century, Joseph P. Lash reconstructs from Eleanor Roosevelt's personal papers her early life and four-decade marriage to the four-time president who brought America back from the Great Depression and helped to win World War II. The result is an intimate look at the vibrant private and public worlds of two incomparable people.

The Eleanor Roosevelt Papers: The human rights years, 1945-1948 Eleanor Roosevelt 2007 Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

The Eleanor Roosevelt Papers Project Eleanor Roosevelt 2007 Chronicling Eleanor Roosevelt's development as diplomat, journalist, and political strategist in the years 1945 to 1948, this publication is filled with original writings and speeches.

Roosevelt and Churchill, 1939-1941: The Partnership That Saved the West Joseph P. Lash 2021-12-06 Using the Roosevelt-Churchill correspondence, British War Cabinet and Foreign Office files and Roosevelt Map Room papers, Joseph P. Lash takes a fresh look at men and events in the critical months between the outbreak of World War II in September 1939 and Pearl Harbor. He brings out the similarities

and contrasts between Roosevelt and Churchill, where they were great or flawed, how each sought to manipulate the other but always in the framework of common purposes, most importantly their understanding of the importance of sea power and of the necessity of Anglo-American naval supremacy. “[Joseph Lash] has written an excellent account, full of shrewd personal and political insights and based on a real command of the sources and an ability to organize his material into a continuously interesting narrative. Much of the story is familiar, but Mr. Lash has added some telling new details from the archives at Hyde Park and in the British Public Record Office...” — The New York Times “[A] rich account of a remarkable collaboration during the pre-Pearl Harbor years of WW II... Throughout Lash examines with candor and admiration how FDR manipulated Congress, the bureaucracy, and public opinion, working with Churchill on the phrasing and timing of steps toward American entry into the war.” — Kirkus “Joseph Lash has once again demonstrated his gift for blending diligent historical research with the human drama of an extraordinary relationship. His chronicle of Roosevelt and Churchill is absorbing and exciting; it will also be an invaluable document for any future exploration of the struggle for democratic survival in this century.” — James A. Wechsler, Editorial Page Editor, New York Post “A splendid work — incisive in its analysis, compelling in its narrative, sensitive in its judgments. It is quite worthy of its protagonists — and what more can one possibly say?” — Arthur Schlesinger, Jr. “[A] perceptive, well organized and well-written exploration both of his two main characters and of a large supporting cast... The book is... a pleasure [...] to read.” — History “The publication of Lash’s book is an important event in the historiography of World War II... Lash has accomplished an impressive historical synthesis.” — Reviews in American History “There is much to praise in this volume, a book which undoubtedly will be widely read... Lash is a first-rate writer and researcher.” — Political Science Quarterly “[A] fascinating book.” — The Virginia Quarterly Review “The major strands of this story have long been familiar, but the author adds many revealing and colorful details... he writes superbly.” — Foreign Affairs “This is a beautifully written book which captures the spirit of the two leaders and is well worth the time spent reading it. Lash offers some thoughtful insights into the personalities of both Churchill and Roosevelt as well as some perceptive comments on their relationship. His picture is clear; Roosevelt and Churchill, for all of their faults, were the great men which the times demanded.” — The American Historical Review

A Guide to the Papers of Eleanor Roosevelt, 1933-1945 1986

Dear Mrs. Roosevelt Robert Cohen 2003-10-16 Impoverished young Americans had no greater champion during the Depression than Eleanor Roosevelt. As First Lady, Mrs. Roosevelt used her newspaper columns and radio broadcasts to crusade for expanded federal aid to poor children and teens. She was the most visible spokesperson for the National Youth Administration, the New Deal's central agency for aiding needy youths, and she was adamant in insisting that federal aid to young people be administered without discrimination so that it reached blacks as well as whites, girls as well as boys. This activism made Mrs. Roosevelt a beloved figure among poor teens and children, who between 1933 and 1941 wrote her thousands of letters describing their problems and requesting her help. Dear Mrs. Roosevelt presents nearly 200 of these extraordinary documents to open a window into the lives of the Depression's youngest victims. In their own words, the letter writers confide what it was like to be needy and young during the worst economic crisis in American history. Revealing both the strengths and the limitations of New Deal liberalism, this book depicts an administration concerned and caring enough to elicit such moving appeals for help yet unable to respond in the very personal ways the letter writers hoped.

The Eleanor Roosevelt Papers ANONIMO 2006-10-01 Human rights. Global relations. The role of women. U.S. politics. Eleanor Roosevelt was a trailblazer in many arenas. Her writings are essential tools to better understand American politics, diplomacy and policy, and the struggle to implement democracy domestically and internationally in the first two-thirds of the 20th century.

Our Eleanor Candace Fleming 2005-10 Chronicles the life of Eleanor Roosevelt, from her birth to wealthy parents, to her marriage to Franklin Delano Roosevelt, to her role as a wife, mother, first lady, and diplomat.

The Eleanor Roosevelt Papers: The human rights years, 1949-1952 Eleanor Roosevelt 2009

A Guide to the Papers of Eleanor Roosevelt, 1933-1945 Eleanor Roosevelt 1986

The Papers of Eleanor Roosevelt, 1945-1952 Robert Lester 2004-03-01

The Papers of Eleanor Roosevelt, 1945-1962 Franklin D. Roosevelt Library 2003 Presents documents related to the work of Eleanor Roosevelt as a U.S. delegate to the United Nations from 1945 to 1952. Reproduces correspondence; publications and documents from U.S. diplomats and UN delegates;

special reports on political, socioeconomic, and military affairs; statistical studies; interviews and minutes of meetings with foreign officials; full text of important U.S. delegation correspondence; voluminous reports; and translations of high-level foreign government documents.

Empty Without You Roger Streitmatter 1999-08-19 The relationship between Eleanor Roosevelt and Associated Press reporter Lorena Hickok has sparked vociferous debate ever since 1978, when archivists at the Franklin D. Roosevelt Library discovered eighteen boxes filled with letters the two women exchanged during their thirty-year friendship. But until now we have been offered only the odd quotation or excerpt from their voluminous correspondence. In Empty Without You, journalist and historian Rodger Streitmatter has transcribed and annotated 300 letters that shed new light on the legendary, passionate, and intense bond between these extraordinary women. Written with the candor and introspection of a private diary, the letters expose the most private thoughts, feelings, and motivations of their authors and allow us to assess the full dimensions of a remarkable friendship. From the day Eleanor moved into the White House and installed Lorena in a bedroom just a few feet from her own, each woman virtually lived for the other. When Lorena was away, Eleanor kissed her picture of "dearest Hick" every night before going to bed, while Lorena marked the days off her calendar in anticipation of their next meeting. In the summer of 1933, Eleanor and Lorena took a three-week road trip together, often traveling incognito. The friends even discussed a future in which they would share a home and blend their separate lives into one. Perhaps as valuable as these intimations of a love affair are the glimpses this collection offers of an Eleanor Roosevelt strikingly different from the icon she has become. Although the figure who emerges in these pages is as determined and politically adept as the woman we know, she is also surprisingly sarcastic and funny, tender and vulnerable, and even judgmental and petty -- all less public but no less important attributes of our most beloved first lady.

Courage in a Dangerous World Eleanor Roosevelt 1999 A collection of writings

If You Ask Me Eleanor Roosevelt 2018-10-09 Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. "If You Ask Me" quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, "I hope so." Queried about whether or when she would retire, she said, "I never plan ahead." As for the suggestion that federal or state governments build public bomb shelters, she considered the idea "nonsense." Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.

The Forum and the Tower Mary Ann Glendon 2011-08-05 The relationship between politics and the academy has been fraught with tension and regret - and the occasional brilliant success - since Plato himself. This book examines thinkers who have collaborated with leaders, from ancient Syracuse to the modern White House, in a series of brisk portraits that explore the meeting of theory and reality.

Eleanor in the Village Jan Jarboe Russell 2021-03-30 A "riveting and enlightening account"

(Bookreporter) of a mostly unknown chapter in the life of Eleanor Roosevelt—when she moved to New York's Greenwich Village, shed her high-born conformity, and became the progressive leader who pushed for change as America's First Lady. Hundreds of books have been written about FDR and Eleanor, both together and separately, but yet she remains a compelling and elusive figure. And, not much is known about why in 1920, Eleanor suddenly abandoned her duties as a mother of five and moved to Greenwich Village, then the symbol of all forms of transgressive freedom—communism, homosexuality, interracial relationships, and subversive political activity. Now, in this "immersive...original look at an iconic figure of American politics" (Publishers Weekly), Jan Russell pulls back the curtain on Eleanor's life to reveal the motivations and desires that drew her to the Village and how her time there

changed her political outlook. A captivating blend of personal history detailing Eleanor's struggle with issues of marriage, motherhood, financial independence, and femininity, and a vibrant portrait of one of the most famous neighborhoods in the world, this unique work examines the ways that the sensibility, mood, and various inhabitants of the neighborhood influenced the First Lady's perception of herself and shaped her political views over four decades, up to her death in 1962. When Eleanor moved there, the Village was a zone of Bohemians, misfits, and artists, but there was also freedom there, a miniature society where personal idiosyncrasy could flourish. Eleanor joined the cohort of what then was called "The New Women" in Greenwich Village. Unlike the flappers in the 1920s, the New Women had a much more serious agenda, organizing for social change—unions for workers, equal pay, protection for child workers—and they insisted on their own sexual freedom. These women often disagreed about politics—some, like Eleanor, were Democrats, others Republicans, Socialists, and Communists. Even after moving into the White House, Eleanor retained connections to the Village, ultimately purchasing an apartment in Washington Square where she lived during World War II and in the aftermath of Roosevelt's death in 1945. Including the major historical moments that served as a backdrop for Eleanor's time in the Village, this remarkable work offers new insights into Eleanor's transformation—emotionally, politically, and sexually—and provides us with the missing chapter in an extraordinary life.

The Papers of Eleanor Roosevelt, 1933-1945 Boehm, Randolph 1986

The Papers of Eleanor Roosevelt, 1945-1952 Eleanor Roosevelt 2003-01-01

The Eleanor Roosevelt Papers Eleanor Roosevelt 2009 Foreword by Senator Hillary Rodham Clinton. Chronicling her development as diplomat, politician and journalist in the years 1945 to 1948, The Eleanor Roosevelt Papers Project: The Human Rights Years is filled with original writings and speeches that have been thoughtfully annotated and made easily accessible through a comprehensive index. Enhanced with more than 130 illustrations and a chronology, Roosevelt's thoughts and experiences are deliberately connected to the wider cultural, political and historical context. This unique collection was developed by The Eleanor Roosevelt Papers Project as the first of a five volume set covering the years 1945 through 1962. In total, this definitive documentary edition of Roosevelt's political writings will be comprised of about 70 percent previously unpublished material that offers key, inside perspective of the United Nations, Cold War politics and the New Frontier.

My Day Eleanor Roosevelt 2009-04-15 "I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world." -- Blanche Wiesen Cook Named "Woman of the Century" in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column "My Day" for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., "What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality." "My Day reminds us how great a woman she was." --Atlanta Journal-Constitution

Eleanor Roosevelt in Her Own Words John M. Shea 2015-12-15 Eleanor Roosevelt wasn't content to be a seldom-seen, never-heard First Lady. Instead, she worked tirelessly for the many causes dear to her heart, including the rights of African Americans, women, and the poor. After Franklin D. Roosevelt's death, she traveled the world promoting peace in the aftermath of World War II. Roosevelt was so beloved she became known as the "First Lady of the World." This extraordinary woman's life and work is presented in this charming biography that utilizes her own words from her prolific writings. Roosevelt's wit, charm, and intelligence shine in each passage, while carefully chosen photographs reflect important moments in her life.

Eleanor Roosevelt's Book of Common Sense Etiquette Eleanor Roosevelt 2016-12-13 In an era of incivility, discover a timeless guide to good manners from First Lady Eleanor Roosevelt. "The basis of all good human behavior is kindness," says Eleanor Roosevelt in this classic handbook, first published in 1962 as a "modern book of etiquette for modern Americans." As a politician, diplomat, and activist, as well as the longest-serving First Lady of the United States, Mrs. Roosevelt knew that thoughtful, civil behavior was essential to peaceful, productive relationships. In this etiquette guide, she teaches that

decorum is not about strict adherence to formal rules; it is about approaching all social situations with consideration for others. She advises, "If ever you find yourself in a situation in which following a formal rule would be manifestly unkind, forget it, and be kind instead." Drawing from her personal and professional experiences, Roosevelt covers a broad range of topics, including business dealings and family affairs, writing letters and receiving guests, and entertaining at home and traveling abroad. Beginning with the necessity of good manners between husband and wife, she considers the importance of courtesy in society at large and the role all Americans play as ambassadors of democracy while visiting foreign countries. In an era of incivility, Eleanor Roosevelt's *Book of Common Sense Etiquette* is more relevant than ever. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Eleanor Roosevelt Geraldine Kidd 2017-11-20 Memorialised as a US heroine and an iconoclastic humanitarian who sought to protect society's marginalised, Eleanor Roosevelt also, at times, disappointed contemporaries and biographers with some of her stances. Examining a period of her life that has not been extensively explored, this book challenges the previously held universality of Eleanor Roosevelt's humanitarianism. The Palestinian question is used as a case study to explore the practical application of her commitment to social justice, and the author argues that, at times, Roosevelt's humanitarianism was illogical, limited and flawed by pragmatism. New insights are provided into Eleanor Roosevelt's human rights activism – its dichotomies, its inspiration, and the effect it had on US relations with the Middle East. This book will appeal to academics working across a range of disciplines including history, diplomatic history, American studies, Middle Eastern studies, US foreign policy, human rights and women's studies.

Olivia Saves the Circus Ian Falconer 2010-09-07 When all the circus performers become ill, young Olivia suddenly finds herself in the spotlight under the big tent as the stand-in for the fire eater, elephant rider, lion tamer, trapeze artist and others.

The Eleanor Roosevelt Papers Eleanor Roosevelt 2009 "Eleanor Roosevelt once asked, 'Where do human rights begin? In small places, close to home, so close and so small that they cannot be seen on any maps of the world. Such are the places where every man, woman, and child seeks equal justice, equal opportunity, equal dignity without discrimination.' As the Chair of the United Nations commission drafting the Universal Declaration of Human Rights, Eleanor Roosevelt worked tirelessly from 1946 to 1948.... Through Volume 1 of the Eleanor Roosevelt Papers, we honor her work, her legacy, her timeless values and ideals, and her commitment to imagining a better future for all people. As you read through this volume, I hope her words will be a call to action."--from the foreword by Hillary Rodham Clinton Eleanor Roosevelt walked out of the White House more than the president's widow. As a nationally syndicated columnist, popular lecturer, author, party leader, and social activist, Roosevelt assured her friends that "my voice will not be silent." Vowing not to be a "workless worker in a world of work," Roosevelt dedicated her unstinting energy to "winning the peace." The 410 documents in *The Eleanor Roosevelt Papers, Volume 1: The Human Rights Years, 1945-1948*, collected from 263 archives in 50 states and 9 nations, chronicle not only Roosevelt's impact on American politics and the United Nations, but also the serious treatment she received from those in power. They disclose the inner workings of Truman's first administration, the United Nations, and the major social and political movements of the postwar world. They also reveal the intense struggles Roosevelt's correspondents and advisors had confronting a war-scarred world, the conflicting advice they gave her, and the material Roosevelt reviewed and the people she consulted while determining her own course of action. Using a wide variety of material--letters, speeches, columns, debates, committee transcripts, telegrams, and diary entries--this first of five volumes presents a representative selection of the actions Eleanor Roosevelt took to define, implement, and promote human rights and the impact her work had at home and abroad. Readers may disagree over various decisions she made, language that she used, or the priorities she established. Yet her influence is unquestioned.

Refuge Must Be Given John F. Sears 2021-05-15 *Refuge Must Be Given* details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the

conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Her excitement about Israel's accomplishments and her cultural biases, however, blinded her to the impact of Israel's founding on the Arabs. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not only between her and the people of Israel, but between her and the American Jewish community.

Tomorrow Is Now Eleanor Roosevelt 2012-10-30 Available again in time for election season, Eleanor Roosevelt's most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt's diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Eleanor Roosevelt's Views on Diplomacy and Democracy Dario Fazzi 2020-06-29 "This volume fills a void in current studies of Eleanor Roosevelt. Offering a comprehensive analysis of Roosevelt as a diplomat during the Cold War era, it is particularly insightful in analyzing her position on United States race relations while at the United Nations. It provides a new look at Roosevelt's leadership from an American perspective played out on a global stage."- Maurine H. Beasley, Professor Emerita, University of Maryland College Park, USA "My grandmother was an ardent "small-d" democrat, as well as a Democrat - but she didn't think we were very mature in our living of it! This well-written and illuminating collection of essays, focused on what ER thought it meant to be a global citizen, offers a unique perspective of her views on a host of issues. Let us hope these fresh insights can inspire young people today to construct that better world to which she dedicated much of her life." - Anna Eleanor Roosevelt This book focuses on Eleanor Roosevelt's multifaceted agenda for the world. It highlights her advocacy of human rights, multilateral diplomacy, and transnationalism, and it emphasizes her challenge to gendered norms and racial relations. The essays of this collection describe Eleanor Roosevelt as a public intellectual, a politician, a public diplomat, and an activist. She was, undeniably, one of the protagonists of the twentieth century and a proactive interpreter of the many changes it brought about. She went through two world wars, the harshness of the Great Depression, and the emergence of nuclear confrontation, and she deciphered such crises as the product of misleading nationalism and egoism. Against them, she offered her commitment to people's education as an example of civic engagement, which she considered necessary for the functioning of any democratic order. Such was the world Eleanor Roosevelt envisioned and tried to build – symbolically and practically – one where people, the citizens of the world, may really be at the center of international affairs.

My Faraway One Sarah Greenough 2011-06-21 Collects the private correspondence between Georgia O'Keeffe and Alfred Stieglitz, revealing the ups and downs of their marriage, their thoughts on their work, and their friendships with other artists.

The Eleanor Roosevelt Papers ANONIMO 2009-10-01

Eleanor Roosevelt Maurine Hoffman Beasley 2010 The first book devoted to Eleanor Roosevelt's 1933-1945 tenure in the White House--the longest of any first lady. Provides an insightful account of how she merged her private and public lives to transform the ambiguous role of first lady into an important institution of the American political system.

The Eleanor Roosevelt Papers: pt. 1. The human rights years, 1945-1946 Eleanor Roosevelt 2009

She Was One of Us Brigid O'Farrell 2012-01-15 Although born to a life of privilege and married to the

President of the United States, Eleanor Roosevelt was a staunch and lifelong advocate for workers and, for more than twenty-five years, a proud member of the AFL-CIO's Newspaper Guild. *She Was One of Us* tells for the first time the story of her deep and lasting ties to the American labor movement. Brigid O'Farrell follows Roosevelt—one of the most admired and, in her time, controversial women in the world—from the tenements of New York City to the White House, from local union halls to the convention floor of the AFL-CIO, from coal mines to political rallies to the United Nations. Roosevelt worked with activists around the world to develop a shared vision of labor rights as human rights, which are central to democracy. In her view, everyone had the right to a decent job, fair working conditions, a living wage, and a voice at work. *She Was One of Us* provides a fresh and compelling account of her activities on behalf of workers, her guiding principles, her circle of friends—including Rose Schneiderman of the Women's Trade Union League and the garment unions and Walter Reuther, "the most dangerous man in Detroit"—and her adversaries, such as the influential journalist Westbrook Pegler, who attacked her as a dilettante and her labor allies as "thugs and extortioners." As O'Farrell makes clear, Roosevelt was not afraid to take on opponents of workers' rights or to criticize labor leaders if they abused their power; she never wavered in her support for the rank and file. Today, union membership has declined to levels not seen since the Great Depression, and the silencing of American workers has contributed to rising inequality. In *She Was One of Us*, Eleanor Roosevelt's voice can once again be heard by those still working for social justice and human rights.

Eleanor Roosevelt and the Anti-Nuclear Movement Dario Fazzi 2016-12-19 This book explores Eleanor Roosevelt's involvement in the global campaign for nuclear disarmament. Based on an extensive multi-archival research, it assesses her overall contribution to the global anti-nuclear campaign of the early cold war and shows how she constantly tried to raise awareness of the real hazards of nuclear testing. She strove to educate the general public about the implications of the nuclear arms race and, in doing so, she became for many a trustworthy anti-nuclear leader and a reliable voice of conscience.?

Doris Fleeson Carolyn Saylor 2011-11-01 "She was my idol," said columnist Mary McGrory. McGrory, in writing of women, referred to Doris Fleeson as "incomparably the first political journalist of her time." Fleeson was, in fact, the first woman in the United States to become a nationally syndicated political columnist. In 1945, with the encouragement of Henry Mencken, she launched her column. In her career she would write some 5,500 columns during the next twenty-two years. Fleeson's appearance could be disarming. Once at a party Lady Bird Johnson exclaimed, "What a gorgeous dress, Doris. It makes you look just like a sweet, old-fashioned girl." The wife of Senator Stuart Symington interjected, "Yes, just a sweet old-fashioned girl with a shiv in her hand." CAROLYN SAYLER lives in Lyons, Kansas, ten miles from the town of Sterling where Doris Fleeson was born in 1901. Knowing members of the Fleeson family, she began researching the life of the columnist whose straightforward take on Washington became a daily fix for newspaper readers across the nation. Saylor has a background in journalism as a member of a Kansas newspaper family. She is the author of a history of Manhattan, Kansas, which tells of the town's founding during the Free State struggle, its strong connections with New England, and its abolitionist college, now Kansas State University.
