CFISD 2021-2022 High School Course Description Book

3. No course changes are allowed after the second week (first 10 days) of each semester. Note: Schedule changes after the second week of either semester will be according to district policy (i.e. they are primarily AP to K-level or K-to L-level changes). No other course changes are allowed; course changes may raise eligibility issues.

### INTRODUCTORY NUCLEAR PHYSICS - KFUPM

too long for a course of quarter or semester length. The instructor is therefore able to select material that will provide students with the broadest possible introduction to the field of nuclear physics, consistent with the time available for the course. The second feature is the unabashedly experimental and phenomenological
