Shadowless Hasan Ali Toptas 2017-04-20 'A knotty, postmodern tale. The quicksilver narrative slips between dream, memory and reality ... A beguiling enigma' Financial Times In an Anatolian village forgotten both by God and the government, the muhtar has been elected leader for the sixteenth successive year. When he staggers to bed that night, drunk on raki and his own well-deserved success, the village is prosperous. But when he is woken by his wife the next evening he discovers that Nuri, the barber, has disappeared without a trace in the dead of night, and the community begins to fracture. In a nameless town far, far away, Nuri walks into a barbershop as if from a dream, not knowing how he has arrived. Try as he might, he cannot grasp the strands of his memory. The facts of his past life shift and evade him, and as other customers come and go, they too struggle to recall how they got there... Blurring the lines of reality to terrific effect, Shadowless is both a compelling mystery and an enduring evocation of displacement from one of the finest, most exciting voices in Turkish literature today.

Wild Girls Ursula K. Le Guin 2011-05-01 Ursula K. Le Guin is the one modern science fiction author who truly needs no introduction. In the half century since The Left Hand of Darkness, her works have changed not only the face but the tone and the agenda of SF, introducing themes of gender, race, socialism, and anarchism, all the while thrilling readers with trips to strange (and strangely familiar) new worlds. She is our exemplar of what fantastic literature can and should be about. Her Nebula winner The Wild Girls, newly revised and presented here in book form for the first time, tells of two captive “dirt children” in a society of sword and silk, whose determination to enter “that possible even when unattainable space in which there is room for justice” leads to a violent and loving end. Plus: Le Guin’s scandalous and scorching Harper’s essay, “Staying Awake While We Read,” (also collected here for the first time) which demolishes the pretensions of corporate publishing and the basic assumptions of capitalism as well. And of course our Outspoken Interview, which promises to reveal the hidden dimensions of America’s best-known SF author. And delivers.

**Antiviral Drug Discovery and Development** Xinyong Liu 2021-07-13 This book summarizes state-of-the-art antiviral drug design and discovery approaches starting from natural products to de novo design, and provides a timely update on recently approved antiviral drugs and compounds in advanced clinical development. Special attention is paid to viral infections with a high impact on the world population or highly relevant from the public health perspective (HIV, hepatitis C, influenza virus, etc.). In these chapters, limitations associated with adverse effects and emergence of drug resistance are discussed in detail. In addition to classical antiviral strategies, chapters will be dedicated to discuss the non-classical drug development strategies to block viral infection, for instance, allosteric inhibitors, covalent antiviral agents, or antiviral compounds targeting protein-protein interactions. **Virulent Zones** Lyle Fearnley 2020-10-23 Scientists have identified southern China as a likely epicenter for viral pandemics, a place where new viruses emerge out of intensively farmed landscapes and human-animal interactions. In *Virulent Zones*, Lyle Fearnley documents the global plans to stop the next influenza pandemic at its source, accompanying virologists and veterinarians as they track lethal viruses to China's largest freshwater lake, Poyang Lake. Revealing how scientific research and expert agency operate outside the laboratory, he shows that the search for origins is less a linear process of discovery than a constant displacement toward new questions about cause and context. As scientists strive to understand the environments from which the influenza virus emerges, the unexpected scale of duck farming systems and unusual practices such as breeding wild geese unsettle research objects, push scientific inquiry in new directions, and throw expert authority into question. Drawing on fieldwork with global health scientists, state-employed veterinarians, and poultry farmers in Beijing and at Poyang Lake, Fearnley situates the production of ecological facts about disease emergence inside the shifting cultural landscapes of agrarian change and the geopolitics of global health.

Reckless Hasan Ali Toptas 2015-03-12 LONGLISTED FOR THE FT/OPPENHEIMERFUNDS EMERGING VOICES AWARD 2016 'Toptas seems to me Orhan Pamuk's equal ... He strikes me as just as gifted a writer' Sydney Morning Herald Thirty years after completing his military service Ziya flees the spiralling turmoil of one of Turkey's great sprawling cities to seek a serene existence in a dream-like village. Kenan – an old friend from the army – is there to greet him. However, the village does not provide the total isolation Ziya years for and he is forced back through the tangled web of his memory in search of his lost family and the reason why Kenan feels so extravagantly indebted to him. The Stone Building and Other Places Asli Erdogan 2018-02-20 "Asli? Erdo?an is an exceptionally perceptive and sensitive writer who always produces perfect

literary texts."—Orhan Pamuk "One volume of short stories, *The Stone Building and Other Places* has become a bestseller in Turkey."—The New York Times "Beautifully written and honestly told, as tender as the tulip gardens of Istanbul and as brave as the human heart."—Elif Safak, author of *The Forty Rules of Love* Three interconnected stories feature women whose lives have been interrupted by forces beyond their control. Exile, serious illness, or the imprisonment of one's beloved are each met with versions of strength and daring, while there is no undoing what fate has wrought. These atmospheric, introspective tales culminate in an experimental, multi-voiced novella, whose "stone building" is a metaphor for the various oppressive institutions—prisons, police headquarters, hospitals, and psychiatric asylums—that dominate the lives of all of these characters. Here is a literary distillation of the alienation, helplessness, and controlled fury of exile and incarceration—both physical and mental—presented in a series of moving, allegorical portraits of lives ensnared by the structures of power. Aslı Erdoğan (Istanbul, 1967) was arrested and imprisoned by the Turkish government in a sweeping roundup of dissident voices after the failed coup attempt of July 2016. The subject of both PEN International and PEN America advocacy campaigns, she has published novels, collections of short stories and poetic prose, and selections from her political essays. As a journalist, she has covered controversial topics such as state violence, discrimination, and human rights, for which she has been persecuted in a variety of ways.

*Boundless Solitude* Selim Ileri 2015-01-30 *Boundless Solitude* tells the story of Handan Sarp, a soprano at the Istanbul City Opera who has struggled throughout her life to come to terms with her lesbianism in a society that shuns the open expression of female queerness. The novel is constructed as a series of vignettes, which highlight the nature of memory as a means of reconstructing the past. Sarp is a woman whose future holds no hope and whose life is shaped by the loneliness that results from her inner struggles as a lesbian in the restrictive social environment of Istanbul.

[The Black Book](#) Orhan Pamuk 2011-08-18 *The Black Book* is Orhan Pamuk's tour de force, a stunning tapestry of Middle Eastern and Islamic culture which confirmed his reputation as a writer of international stature. Richly atmospheric and Rabelaisian in scope, it is a labyrinthine novel suffused with the sights, sounds and scents of Istanbul, an unforgettable evocation of the city where East meets West, and a boldly unconventional mystery that plumbs the elusive nature of identity, fiction, interpretation and reality.

A book that took the Turkish literary world by storm, Kemal Varol's *Wüf* tackles universal themes of love and loss with both humor and pathos. Translated by PEN/Heim Award winner Dayla Rogers, the novel renders in English a one-of-a-kind love story with a narrator its readers won't soon forget. DAYLA ROGERS is a translator and educator based in Istanbul. In 2016 she received a finalist ribbon for Lunch Ticket's Gabo Translation Competition and in 2017 she received a PEN/HEIM Translation Fund Grant.

[The Lyotard Reader and Guide](#) Jean-François Lyotard 2006 *The Lyotard Reader and Guide* is a one-stop companion to Lyotard's thought. It covers the full range of his works, from his three main books ( *Discours, figure*; *Libidinal Economy*; and *The Differend*) and up to his influential essays in *The Inhuman* and *Postmodern Fables*. The readings are organized into sections on philosophy, politics, art, and literature. Several have never before been translated into English. Seribu Warna Türkiye Turkish Spirits Ibarat seorang gadis, Turki dikenal oleh masyarakat Indonesia hanya lewat jilbab merah muda yang melambai karena angin kencang, atau lewat sepotong wajah yang tidak sepenuhnya terpahami. Begitulah Turki, dulu, hari ini, dan mungkin seterusnya. Bapak Republik kita Ir. Soekarno lalu berujar, "Sebab, sebenarnya, orang yang tidak datang menyelimidi sendiri keadaan di Turki itu, atau tidak membuat studi sendiri yang luas dan dalam dari kitab-kitab yang mengenai Turki itu, tidak mempunyailah hak untuk membicarakan soal Turki itu di muka umum. Dan lebih dari itu: ia tidak mempunyai hak untuk menjatuhkan vonis atas negeri Turki itu di muka umum." Pernyataan Soekarno ini muncul di tengah kesadaran dirinya ketika berkunjung dan menangkap kompleksitas negara bernama Turki—bahasa, sejarah, budaya, sosial kemasyarakatan, dan politik. Buku kedua karya Turkish Spirits ini semacam jendela bagi halaman luas dan misterius bernama Turki; kita dipersilakan mengintipnya kapan saja, menatap warna-warni dan pernik-pernik kehidupan yang luas dengan tensi dan intriknya masing-masing. Dengan kemasan asyik dan ringan, buku Seribu Warna Türkiye ini menghadirkan lema-lema tentang Turki yang tidak dijumpai di Google ataupun di peranti online manapun.

Food and Nutrition Paul Fieldhouse 2013-12-14 As someone who was trained in the clinical scientific tradition it took me several years to start to appreciate that food was more than a collection of nutrients, and that most people did not make their choices of what to eat on the biologically rational basis of nutritional composition. This realization helped to bring me to an understanding of why people didn't always eat what (I believed) was good for them, and why the patients I had seen in hospital as often as not had failed to follow the dietary advice I had so confidently given. When I entered the field of health education I quickly discovered the famous World Health Organization definition of health as being a state of complete physical, mental and social well-being, and not merely the absence of disease. Health was a triangle -and I had been guilty of virtually ignoring two sides of that triangle. As I became involved in practical nutrition education initiatives the deficiencies of an approach based on giving information about nutrition and physical health became more and more apparent. The children whom I saw in schools knew exactly what to say when asked to describe a nutritious diet: they could recite the food guide and list rich sources of vitamins and minerals; but none of this intellectual knowledge was reflected in their own actual eating habits.

The New Life Orhan Pamuk 1997-04-08 Obsessed with a mysterious book, Osman, a young university student, joins forces with Janan, a beautiful woman, to search for Janan's long-lost love, the elusive Mehmet, a man who understands the darker power of the book, in a metaphysical mystery by the author of The White Castle.

Reckless Hasan Ali Toptas 2015-08-11 Thirty years after completing his military service, Ziya flees the spiraling turmoil and perplexing chaos of the city where he lives to seek a peaceful existence in a remote village--of which he has heard dreamlike tales. Greeted by his old friend from the army, Kenan, who has built and furnished a vineyard house for him, Ziya grows accustomed to his new surroundings and is welcomed by Kenan's family. However, the village does not provide the serenity Ziya yearns for, and old memories of his military service on the treacherous Syrian/Turkish border flood his thoughts. As he battles specters of the past, his rejection of village life provokes an undercurrent of ill feeling among the locals, not least towards Kenan, who has incurred heavy debts by his generosity to the man who may have saved his life. Toptas masterfully blurs the borders between dreams and reality, truth and memory in this gripping tale. Like Turkey itself, the writer sits between the traditions of the East and the West, creating bold new literature. In his own country he sits comfortably on the shelf beside Orhan Pamuk, and his first novel in English is poised to enchant those same readers.
