Mazda MX-5 Miata Thomas Bryant 2014-11-01

Celebrating a quarter century of the car that redefined its genre. [apply edits made above] The Mazda MX-5, (known as Miata in North America and Eunos Roadster in Japan), revolutionized the lightweight two-seater roadster market. By taking the front-engine, rear-wheel-drive layout of traditional British and Italian roadsters and combining it with the modern function and reliability for which Japanese cars were justly famous, Mazda created what many consider the perfect sports car. The MX-5 became the best-selling sports car of all time, selling over a million units worldwide. Customers proved that they hadn't lost their desire for simple, lightweight two-seat convertibles; they had simply lost their desire for unreliable, archaic European anachronisms that caught on fire as part of their charm. In 2009, English automotive critic Jeremy Clarkson wrote: "The fact is that if you want a sports car, the MX-5 is perfect. Nothing on the road will give you better value. Nothing will give you so much fun. The only reason I'm giving it five stars is because I can't give it 14." Mazda MX-5 Miata: Twenty-Five Years is a handsomely-illustrated coffee-table book celebrating Mazda's ground-breaking MX-5 Miata, the car that revolutionized the lightweight two-seater

roadster market.

The Infiltrator Harmon Leon Called a cross between
Michael Moore and South Park, gonzo journalist
Harmon Leon shared his undercover exploits
among fringe right-wingers in the riotously funny
book Republican Like Me. Now, in The Infiltrator,
Harmon exposes more of the harrowing and
hilarious reality of living in red-state America.

Desperate for a job in the no-new-job Republican
economy, Harmon becomes O.J. Simpson's
sidekick helping him to pull off hidden-camera tricks
on O.J.'s budding reality show. Harmon joins a
civilian vigilante group of senior citizens called the
Minuteman Project and helps them patrol for illegal
aliens along the Mexican border by sitting in a lawn
chair. He becomes a Promise Keeper at one of the
group's weekend stadium events, where he gets
pumped up about Jesus but finds that women are
clearly not welcome. Harmon infiltrates the Protest
Warriors (who vehemently oppose liberal

protestors) and meets a right-wing Warrior who boastfully confides to Harmon that he's infiltrated leftist protests. Harmon rises to become president of the local chapter.· Harmon shows his flair for drama when he trains to be a teen abstinence educator and makes an unforgettable impression using mime.· At a faith healing extravaganza, Harmon throws away his crutches and walks again-before being assisted to the ground.And there's much, much more in this twisted sampler of infiltration journalism. Follow Harmon on each mission impossible as he dons various ingenious disguises, goes undercover, tries various ways to eke out a living, and then just barely escapes to report on the shocking and very funny truth about surviving in conservative America.Harmon Leon (San Francisco, CA) is an award-winning journalist who has appeared on The Howard Stern Show, Penn and Teller: Bullshit!, The Jamie Kennedy Experiment, E!, and NPR's This American Life, and in The San Francisco Chronicle, Cosmopolitan, Maxim, Details, Spin, Wired, The Guardian, and more.
