Forever & Always Jasinda Wilder 2013-12-20 Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S**t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ ~ Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, Ever

Caught in the Surf Jasinda Wilder 2015-07-17 Lani woke up one morning hungover, heartbroken, and stranded in a tropical paradise. She missed her plane and ran out of luck... and then she met Casey. Warning: this is one seriously hot little novella previously published in the Summer on Seeker's Island anthology. It contains super-steamy insta-love between a giant sexy island hero and a short and curvy Hawaiian surfer chick. This story contains scorching, sandy sexy times guaranteed to heat you up, even if you read it on the beach.

Duke: Alpha One Security: Book 3 Jasinda Wilder 2016-12-09 Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY. Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

Alpha Jasinda Wilder 2015-03-13 The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

Wounded Jasinda Wilder 2013-05-06 War has taken everything from me. My family. My home. My innocence. In a country blasted by war and wracked by economic hardship, a young orphan girl like me has very few options when it comes to survival. Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in my life is love. And then I meet HIM. *** War is hell. It takes a chunk out of a man's very soul to do the kinds of things war demands of you. You live with fear, you live with guilt, and you live with nightmares. If you haven't been through it, there's no understanding it. War leaves no room for love, no room for tenderness or softness. You gotta be hard, closed off, and ready to fight every moment of every day. Lose focus for a split second, and you're dead. Now the only thing that can save me is HER.

Less is More Jason Hickel 2020-08-13 'A powerfully disruptive book for disrupted times ... If you're looking for transformative ideas, this book is for you.' KATE RAWORTH, economist and author of *Doughnut Economics* A Financial Times Book of the Year

Our planet is in trouble. But how can we reverse the current crisis and create a sustainable future? The answer is: DEGROWTH. Less is More is the wake-up call we need. This is our chance to change course, but we must act now.

'A masterpiece... Less is More covers centuries and continents, spans academic disciplines, and connects contemporary and ancient events in a way which cannot be put down until it's finished.' DANNY DORLING, Professor of Geography, University of Oxford 'Jason is able to personalise the global and swarm the mind in the way that insects used to in abundance but soon shan't unless we are able to heed his beautifully rendered warning.' RUSSELL BRAND 'Jason Hickel shows that recovering the commons and decolonizing nature, cultures, and humanity are necessary conditions for hope of a common future in our common home.' VANDANA SHIVA, author of *Making Peace With the Earth* 'This is a book we have all been waiting for. Jason Hickel dispels ecomodernist fantasies of "green growth". Only degrowth can avoid climate breakdown. The facts are indisputable and they are in this book.' Meeting Mr Anderson Elle Nicoll 2021-05-22 Some people go to Hollywood to chase their dream. My Hollywood dream is in seat 4A. After the stunt my ex pulled, no one would blame me if I swore off men forever, especially one like Mr Jay Anderson, Hollywood's sexiest heartthrob. Maybe undressing me with his striking blue eyes as I perform the safety demonstration on a flight to LA is normal behaviour for him. Maybe not. But I know one thing for sure, he should come with a warning label. Because once you meet a man like Jay Anderson, there is no going back. With his dirty blonde hair and those eyes; he's a beautiful, X-rated fairy-tale. But beauty is a magnificent smokescreen. And a fairy-tale is just that... a tale. It's never as simple as happily ever after, not when you're meeting Mr

Anderson. This is a steamy, standalone, contemporary romance intended for readers aged 18 and over.

Stripped Jasinda Wilder 2013-08-14 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

Falling Into You Jasinda Wilder 2014-11-13 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness.

Captured Jasinda Wilder 2014-08-12 Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone. Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. * * * I was a lost, broken soul, tortured by the memories of what I'd endured. When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing. Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for.

I swallow hard. He wasn't supposed to make it sweet. He was supposed to leave it dirty and inappropriate, so I could tell myself all he wanted was sex. That all he cared about was getting me naked, or if not that, then at least seeing me naked. Instead, he turned it sweet. And I couldn't tell myself any lies to keep me on my high horse.

Badd Ass Jasinda Wilder 2017-01-19 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Undone time and again by his exquisite dominance, X craves and fears his desire in equal measure. And while she longs for a different path, X has never known anything or anyone else--until now.."--

Sigma Jasinda Wilder 2022-01-14 The night it happened, it seemed like an impossible nightmare. There was no name on the note. No hint of identity or reason or anything. A single word, on the notes line: "She." Just those three letters. The next day, I received another note. It too contained a single word: "belongs." A third note, the next day. This time, two words. Four letters. "To me." Ten million dollars, or our daughter would die. And then, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out there is no happily ever after for us.

Screwed Jasinda Wilder 2019-03-07 "He has to be ready for it, Jess," I say, my voice low and quiet. Jesse nods. "I know. It's just that I'm a fixer, and his broken-ass heart is the one thing I can't fix." "No one can," I say. "I can't fix his broken heart. He has to be willing to be with me with a whole heart. There'd be pieces missing, and seams and cracks, but offered as a whole. I'm worth more than just taking the screwed up mess of him, just to have part. I want more than that—I deserve more. If he can get there, I'll be here waiting. I've got nothing but time, Jess. I'm not going anywhere, and I told him that. I'm willing to wait—because I think he's worth waiting for." I smile at Jesse. "If he can get his head out of his ass and work on rebuilding his broken-ass heart, he'll be worth having waited for." Except I've already waited so long. For him—for anyone, but especially for him. Endured so much. Spent so long alone, and lonely. And now James is RIGHT THERE, but still out of reach. My heart wants him, my body wants him, but my fears say he'll only hurt me. And he himself says he's not sure he'll ever be able to get over the past—losing his wife. I don't blame him, but... How long can I wait? And if he does come around, will it be worth it?

The Long Way Home Jasinda Wilder 2017-06-30 I need you, Ava. I am desperate. For you. For touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need

reaching release...I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I am taking the long way home, Ava. * * * Christian, I'm losing my mind, and I don't know how to stop it. I shouldn't be writing to you, but I am. I'm friendless, loveless, and lifeless. You're out there somewhere, and still you're all I really have. I hate my reliance and dependence on you, emotionally and otherwise, and that reliance is something I'm coming to recognize. I hate that I can't hate you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava

Wish Upon A Star Jasinda Wilder 2021-10-15 Grandma always said dying is the the easy part; it's the living that's hard. I've been fighting to live since I was seven years old, and now the doctors say I'm gonna lose that battle soon. I've crossed off just about everything on my bucket list—I've seen the Eiffel Tower and the Coliseum and I've been swimming in the Caribbean; I've lived like I'm dying, because I am. There's just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl's dream man. My dream man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out of the blue and proposes to you, it makes you feel like anything is possible. Even that hardest thing: living.
