The Ballot Boy Larry Mellman 2022-02-15 Venice, 1368. War hovers in the wings with the fate of the Republic at stake when the old doge dies. Fourteen-year-old Nico, a street urchin from the poorest Venetian parish, is chosen at random to tally votes in the upcoming election for a new leader. Uprooted from his old life and transplanted to the doge's palace, Nico becomes an alienated outsider at the mercy of scheming nobles. Andrea Contarini, sixtieth doge of Venice, wants the ducal throne less than Nico wants to be ballot boy. Both walk a golden tightrope over treachery and deceit. When he witnesses a court clerk burned at the stake for being gay, Nico despairs. His romantic attraction to men is as powerful as his fear of fiery death and an eternity in Hell. Taking advantage of the fraught transition in the Doge's Palace, the hostile duke of Austria pushes Trieste to rebel against Venetian domination, jeopardizing her mastery of the Adriatic Sea. The Venetian nobles split, trapping the doge between hawks rabid for war, and rich merchants desperate for peace. With his own life on the line, Andrea Contarini opts to attack decisively and end the crisis swiftly, but his gambit is sabotaged. Trusting only the boy at his side, Contarini sends Nico to Trieste to be his eyes and ears. As the Venetian commanders wrangle over tactics, Nico falls for Astolfo, the young, charismatic lord of Castle Moccò, an indispensable but unreliable ally. Will Nico return to Venice a celebrated hero? Or will he be forever haunted, guilt-ridden, and still concealing his deepest secret?

The Understatement of the Year Sarina Bowen 2014-09-04 What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual preference from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only "out" player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the understatement of the Year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.
