Men on the Bag Ward Clayton 2006-02-01 The caddies of the Augusta National Golf Club are some of the game's most colorful characters. Their stories are intertwined with one of the world's most respected private clubs, its elite membership, and golf's greatest champions. The caddies witnessed every great moment, both private and public, at Augusta National, from Gene Sarazen's 'shot heard 'round the world' to Nicklaus's winning a record six Masters. Then in 1983, things changed forever when 'Tour caddies' were allowed at the Masters for the first time. Memories of a better day live on as Ward Clayton documents a history as compelling as the game itself. *Men on the Bag* delivers a story never-before-told with passion and candor.

Cycle of Lies Juliet Macur 2014-03-04 The definitive account of Lance Armstrong's spectacular rise and fall. In June 2013, when Lance Armstrong fled his palatial home in Texas, downsizing in the face of multimillion-dollar lawsuits, Juliet Macur was there—talking to his girlfriend and children and listening to Armstrong's version of the truth. She was one of the few media members aside from Oprah Winfrey to be granted extended one-on-one access to the most famous pariah in sports. At the center of *Cycle of Lies* is Armstrong himself, revealed through face-to-face interviews. But this unfolding narrative is given depth and breadth by the firsthand accounts of more than one hundred witnesses, including family members whom Armstrong had long since turned his back on—the adoptive father who gave him the Armstrong name, a grandmother, an aunt. Perhaps most damning of all is the taped testimony of the late J.T. Neal, the most influential of Armstrong's many father figures, recorded in the final years of Neal's life as he lost his battle with cancer just as Armstrong gained fame for surviving the disease. In the end, it was Armstrong's former friends, those who had once occupied the precious space of his inner circle, who betrayed him. They were the ones who dealt Armstrong his fatal blow by breaking the code of silence that shielded the public from the grim truth about the sport of cycling—and the grim truth about its golden boy, Armstrong. Threading together the vivid and disparate voices of those with intimate knowledge of the private and public Armstrong, Macur weaves a comprehensive and unforgettably rich tapestry of one man's astonishing rise to global fame and fortune and his devastating fall from grace.

Career Coach Shelly Field 2008 Provides instruction and advice on cultivating a career in the sports industry, focusing on finding the right job, self-marketing and promotion, and interview techniques.

Sports Illustrated Hate Mail from Cheerleader Rick Reilly 2007-05-01 For years, many of Sports Illustrated's 21 million readers turned first to the magazine's last page, because that's where they find SI's most popular feature: the Life of Reilly column, written by best-selling author Rick Reilly. A 22-year veteran of Sports Illustrated and a 10-time National Sportswriter of the Year, Reilly took over SI's back page in 1998, and his column immediately attracted a devoted following, including the legions of fans who helped make his first collection, *The Life of Reilly*, a New York Times best seller in 2000. Now comes *Hate Mail from Cheerleaders*, 100 of Reilly's favorites, along with a new foreword and column postscripts by the author. Alternately sidesplitting and heartwarming but always opinionated and provocative, these pieces are the best work by the best columnist in the business.

LOST and PROFOUND Mark McKirdy 2015-03-03 'LOST and PROFOUND: The Rejected Book Reviews by Famous People' is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film, television, journalism, science, music, sport, art, business, politics and literature. Included among the 'reviewers' are George W. Bush, David Letterman, Madonna, Gore Vidal, Shirley MacLaine, Arnold Palmer, Elton John, Gloria Steinem, David Suzuki, Walter Cronkite, Salvatore 'Sammy the Bull' Gravano, Jimmy Swaggart and Monica Lewinsky. All the books reviewed are real, and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought, no matter how cleverly expressed. As revealed in the book's 'Introduction', Mark McKirdy acquired this collection when he successfully bid for a small, dusty box at a Sotheby's auction in 2013. Upon his return to Oxford University, where he was the anthropologist-in-residence, he opened the box and, like Howard Carter marveling at the treasures he'd just unearthed from Tutankhamun's tomb in 1922, the author was holding a golden collection of book reviews by many of the world's most significant people. Each review had apparently been commissioned by the prestigious literary journal, 'The London Review of Books' and each, for reasons never revealed, received a soul-crushing rebuff by way of a large, red 'Rejected' stamp. As with all well written satire, 'LOST and PROFOUND' will give readers pause for thought, seconds for chuckling, minutes of laughing out loud and hours of fun, and if the celebrities mentioned in the book didn't actually write the reviews cited, they probably wish they had.

The scenes he recounts along the way are fascinating."—*Entertainment Weekly* "Hip-hop's renaissance man drops a classic. . . . Heartfelt, passionate and slick."—*Kirkus Reviews* (starred review)

Who's Your Caddy? Rick Reilly 2004 The popular sportswriter and humorist describes his experiences as a caddy for some famous professional and celebrity golfers, offering accounts of his own ineptitude as a caddy and insights into what makes golfers great. Unconscious Putting Dave Stockton 2011-09-15 "The Pro Tours' Hottest Coach" (*Golf Digest*) reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players-including Annika Sorenstam, Yani Tseng (winner of four LPGA tournaments), Adam Scott (Texas Open champion), Hunter Mahan (Phoenix Open champion), and Morgan Pressel (World Ladies Championship of Japan winner)-the putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and

connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different- almost a different game. Unconscious Putting will help players get out of the rigid, mechanical, overthinking trap. In Unconscious Putting, Stockton shows how players at every handicap level-from pros to weekend golfers-can putt effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, Unconscious Putting is a must-have golf book and a category classic-in-the-making.

Fairway to Hell Frank Lidz 2010-08-25 Presents a collection of humorous stories about golf around the world gleaned from the author's personal experience, including stories about a golf tournament for fat people and a course where the caddies are llamas. A Course Called Ireland Tom Coyne 2010-02-02 The hysterical story bestseller about one man's epic Celtic sojourn in search of ancestors, nostalgia, and the world's greatest round of golf By turns hilarious and poetic, A Course Called Ireland is a magnificent tour of a vibrant land and paean to the world's greatest game in the tradition of Bill Bryson's A Walk in the Woods. In his thirties, married, and staring down impending fatherhood, Tom Coyne was familiar with the last refuge of the adult male: the golfing trip. Intent on designing a golf trip to end all others, Coyne looked to Ireland, the place where his father has taught him to love the game years before. As he studied a map of the island and plotted his itinerary, it dawned on Coyne that Ireland was ringed with golf holes. The country began to look like one giant round of golf, so Coyne packed up his clubs and set off to play all of it-on foot. A Course Called Ireland is the story of a walking-averse golfer who treks his way around an entire country, spending sixteen weeks playing every seaside hole in Ireland. Along the way, he searches out his family's roots, discovers that a once-poor country has been transformed by an economic boom, and finds that the only thing tougher to escape than Irish sand traps are Irish pubs.

Shanks for Nothing Rick Reilly 2007-05 In the zany sequel to Missing Links, Raymond "Stick" Hart's terrific life is turned upside down when Ponky's cheapskate owner announces that he is selling it to the snobbish Mayflower Club, his hated blue-blooded father drops dead, his friend loses money to a hustler funded by the Russian mob, his wife throws him out, and he must qualify for the British Open to solve his problems. Reprint. 30,000 first printing.

Ben Hogan's Magical Device Ted Hunt 2009-05-26 In 1954, Ben Hogan stated in the serialized lessons he wrote for Life magazine that he had "a secret." He challenged the world to find it by stating "It is easy to see if I tell you where to look." He then wrote his legendary instructional book, Five Lessons, and created a remarkable golf swing puzzle, but somehow one important piece of information was missing. Golf expert after golf expert have attempted to define this secret over the years, serving to compile a rather lengthy list of what they think the secret is but never quite explaining how it's done. Enter Ben Hogan's Magical Device, a revealing book which intends to finally explain, in universally understandable terms, that long-lost secret to Hogan's swing. As a lifelong golfer with 50+ years of experience, two degrees in Physical Education and a Doctorate in History, author Ted Hunt became determined to track down Hogan's secret himself. He reviewed most of the literature concerning Hogan and interviewed many professionals (including Jack Nicklaus) and the result of his research produced a clearer understanding of the source of the confusion concerning Hogan's secret. An hypothesis was conceived and tested, and Hunt was pleased to discover that his analysis stood up to critical examination. But perhaps more importantly, his golf responded with more accuracy and lower scores, which included shooting his age (79) several times within weeks of embracing the secret. Complete with 100 photos/illustrations and a foreword by movie star Sean Connery, Ben Hogan's Magical Device gives an easy-to-follow explanation of Hogan's secret, where it comes from, and the foundations which support its successful execution. Interspersed throughout the text are stories from professional acquaintances who spoke with Hunt about their times with Mr. Hogan.

Missing Links Rick Reilly 2011-05-04 When a group of middle-class buddies obsessed with golf set up a bet to see who can finagle their way onto the nearby private course, their friendship is tested in ways they had never expected in this humorous novel from Rick Reilly, one of America's most popular sportswriters. Missing Links is the story of four middle class buddies who live outside of Boston and for years have been 1) utterly obsessed with golf and 2) a regular foursome at Ponkaquoque Municipal Course and Deli, not so fondly known as Ponky, the single worst golf course in America. Just adjacent to these municipal links lies the Mayflower Country Club, the most exclusive private course in all of Boston and a major needle in their collective sides. Frustrated by the Mayflower's finely manicured greens and snooty members, three of Ponky's finest and most courageous—Two Down, Dannie, and Stick—set up a bet: \$1,000.00 apiece, and the first man to somehow finagle his way on to the Mayflower course takes all. Lying, cheating, and forgery are encouraged, to put it mildly, and with the constant heckling and rare aid of Chunkin' Charlie, Hoover, and Bluto--a few more of Ponky's elite--the games begin. One of the three will eventually play the Mayflower's course, but their friendships--and everything else--will change as various truths unravel and the old Ponky starts looking like the home they never should have left.

The Match Mark Frost 2007-11-06 In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day--legendarily known in golf circles as the greatest private match ever played--comes to life with powerful, emotional impact and edge-of-your-seat suspense.

So Help Me Golf Rick Reilly 2022-05-10 Beloved bestselling author and golf aficionado Rick Reilly channels his insatiable curiosity, trademark sense of humor, and vast knowledge of the game in a treasure trove of original pieces about what the game has meant to him and to others. This is the book Rick Reilly has been writing in the back of his head since he fell in love with the game of golf at eleven years old. He unpacks and explores all of the wonderful, maddening, heart-melting, heart-breaking, cool, and captivating things about golf that make the game so utterly addictive. We meet the PGA Tour player who robbed banks by night to pay his motel bills, the golf club maker who takes weekly psychedelic trips, and the caddy who kept his loop even after an 11-year prison stint. We learn how a man on his third heart nearly won the U.S. Open, how a Vietnam POW saved his life playing 18 holes a day in his tiny cell, and about the course that's absolutely free. Reilly mines all of the game's quirky traditions—from the shot of bourbon you take before you tee off at Peyton Manning's course, to the way the starter at St. Andrews announces to your group (and the

hundreds of tourists watching), "You're on the first tee, gentlemen." He means that quite literally: St. Andrews has the first tee ever invented. We'll visit the eighteen most unforgettable holes around the world (Reilly has played them all), including the hole in Indonesia where the biggest hazard is monkeys, the one in the Caribbean that's underwater, and the one in South Africa that requires a shot over a pit of alligators; not to mention Reilly's attempt to play the most mini-golf holes in one day. Reilly expounds on all the great figures in the game, from Phil Mickelson to Bobby Jones to the simple reason Jack Nicklaus is better than Tiger Woods. He explains why we should stop hating Bryson DeChambeau unless we hate genius, the greatest upset in women's golf history, and why Ernie Els throws away every ball that makes a birdie. Plus all the Greg Norman stories Reilly has never been able to tell before, and the great fun of being Jim Nantz. Connecting it all will be the story of Reilly's own personal journey through the game, especially as it connects to his tumultuous relationship with his father, and how the two eventually reconciled through golf. This is Reilly's valentine to golf, a cornucopia of stories that no golfer will want to be without.

A Good Walk Spoiled John Feinstein 2014-05-27 "The best-ever account of life on the PGA tour" (Golf Magazine): John Feinstein's bestselling classic is a must-read for anyone who loves the game of golf. Traveling with the golfers on the PGA Tour, Feinstein gets inside the heads of the game's greatest players as well as its struggling wannabes. Meet superstars like Nick Price, who nailed a fifty-foot putt at the seventeenth to win the British Open, and Paul Azinger, who marked his return from a bout with cancer with an emotional appearance at the Buick Open. Go behind the scenes for Davis Love III's unforgettable come-from-behind victory in the Ryder Cup. In golf, Feinstein eloquently relates, the line that separates triumph from disappointment is incredibly fine. "One week you've discovered the secret to the game; the next week you never want to play it again."

Sweetness Jeff Pearlman 2012-08-28 Traces the life and career of the late Chicago Bears star, from his early athletic triumphs that helped bridge racial gaps in his segregated Mississippi childhood community through the tragic illness that ended his life.

Commander in Cheat Rick Reilly 2019-04-02 NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- The New Yorker "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- Chicago Sun-Times "Every one of Trump's most disgusting qualities surfaces in golf." -- The Ringer An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, Commander in Cheat is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

Now Playing at the Valencia Stephen Hunter 2005-12-01 From Pulitzer Prize-Winning Movie Critic Stephen Hunter Comes A Brilliant, Freewheeling, And Witty Look At The Movies. Evanston, Illinois, was an idyllic 1950s paradise with stately homes, a beautiful lake, a world-class university, two premier movie houses, and one very seedy movie theater -- the Valencia. This was the site of Washington Post film critic Stephen Hunter's misspent youth. Instead of going to school, picking up girls, or tossing a football, Hunter could be found sitting in the fifteenth row, right-hand aisle seat of the Valencia, sating himself on one B-list movie after another. The Valencia had a sticky floor, smelly bathrooms, ancient popcorn, and a screen set in a hideously tacky papier-mache castle wall. It was also the only place in town to see westerns, sci-fi pictures, cops 'n' robbers flicks, slapstick comedy, and Godzilla. In Now Playing at the Valencia, the author of such bestselling novels as Havana and Pale Horse Coming has compiled his favorite movie reviews written between 1997 and 2003, bringing to the discussion the passionate feelings for cinema he discovered in the '50s, a time when genres were forming, mesmerizing stars played unforgettable characters, and enduring classics were made. While filmmaking has changed tremendously since Hunter first frequented the Valencia, the view from the fifteenth row, and the thrill of down and dirty entertainment, has remained the same.

Tiger, Meet My Sister... Rick Reilly 2014-05-13 In this hilariously funny essay collection, ESPN columnist Rick Reilly com-piles the best of his sports columns—essays that include his expert opinion on athlete tattoos, NFL cheerleaders, and even running with the bulls in Pamplona. Rick Reilly has no compunction telling readers, in his quick-witted style, how he really feels about some of the most popular sports figures of our time. Wondering about quarterback Jay Cutler? "Cutler is the kind of guy you just want to pick up and throw into a swimming pool, which is exactly what Peyton Manning and two linemen did one year at the Pro Bowl." Or how about Tiger Woods? "Sometimes you wonder where Tiger Woods gets his public-relations advice. Gary Busey?" But for every brazen takedown, Reilly has written a heartwarming story of the power of sports to heal the wounded and lift the downtrodden: the young Ravens fan with cancer who called the plays for a few—victorious—games in 2012, or the onetime top NFL recruit who was finally exonerated after serving five years for a crime he didn't commit. Whether he makes you laugh, cry, or just gets under your skin, Rick Reilly is sure to offer a unique and hilarious perspective on your favorite golf players, football teams, MVPs, and more. Rick Reilly has been called "one of the funni-est humans on the planet—an indescribable amalgam of Dave Barry, Jim Murray, and Lewis Grizzard, with the timing of Jay Leno and the wit of Johnny Carson" (Publishers Weekly). With a new introduction and updates from Reilly on his most talked-about col-umns, Tiger, Meet My Sister... makes the perfect gift for sports fans of all kinds.

Unplayable Lies Dan Jenkins 2016-04-05 Forty-one essays on golf. Half of the essays are brand new, the others are all reworked

and rewritten, based on pieces that were originally published in Golf Digest. Often biting, usually cranky, always hilarious and surprising this is Dan Jenkins at his best, writing about the sport he loves the most. I've always wanted to do something for the golfer who has everything. I thought about a suede golf cart, or maybe a pair of cashmere Footjoys. Then I settled on writing this book.

Caddyshack Chris Nashawaty 2018-04-24 “More fun to read than the movie was to watch... a scene-stealing book.” — The Washington Post An Entertainment Weekly “Must List” selection Caddyshack is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn't start out that way, and everyone who made it certainly didn't have the word “classic” in mind as the cameras were rolling. In Caddyshack: The Making of a Hollywood Cinderella Story film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy's greatest deranged minds as they form The National Lampoon, turn the entertainment industry on its head, and ultimately blow up both a golf course and popular culture as we know it. Caddyshack is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there's ever been, and a rich portrait of the biggest, and most revolutionary names in Hollywood. So, it's got that going for it...which is nice.

An American Caddie in St. Andrews Oliver Horovitz 2013-03-14 A hilarious and poignant memoir of a Harvard student who comes of age as a caddie on St. Andrews's fabled Old Course. In the middle of Oliver Horovitz's high school graduation ceremony, his cell phone rang: It was Harvard. He'd been accepted, but he couldn't start for another year. A caddie since he was twelve and a golfer sporting a 1.8 handicap, Ollie decides to spend his gap year in St. Andrews, Scotland—a town with the U.K.'s highest number of pubs per capita, and home to the Old Course, golf's most famous eighteen holes—where he enrolls in the St. Andrews Links Trust caddie trainee program. Initially, the notoriously brusque veteran caddies treat Ollie like a bug. But after a year of waking up at 4:30 A.M. every morning and looping two rounds a day, Ollie earns their grudging respect— only to have to pack up and leave for Harvard. There, Ollie's new classmates are the sons of Albania's UN ambassador, the owner of Heineken, and the CEO of Goldman Sachs. Surrounded by sixth generation legacies, he feels like a fish out of water all over again and can't wait to get back to St. Andrews. Even after graduation, when his college friends rush to Wall Street, Horovitz continues to return each summer to caddie on the Old Course. A hilarious, irresistible, behind-the-scenes peek at the world's most celebrated golf course—and its equally famous caddie shack—An American Caddie in St. Andrews is certain to not only entertain golfers and fans of St. Andrews but also anyone who dares to remember stumbling into adulthood and finding one's place in the world.

The Downhill Lie Carl Hiaasen 2008-05-13 Originally drawn to the game by his father, Carl Hiaasen wisely quit golfing in 1973. But some ambitions refuse to die, and as the years—and memories of shanked 7-irons faded, it dawned on Carl that there might be one thing in life he could do better in middle age than he could as a youth. So gradually he ventured back to the dreaded driving range, this time as the father of a five-year-old son—and also as a grandfather. “What possesses a man to return in midlife to a game at which he'd never excelled in his prime, and which in fact had dealt him mostly failure, angst and exasperation? Here's why I did it: I'm one sick bastard.” And thus we have Carl's foray into a world of baffling titanium technology, high-priced golf gurus, bizarre infomercial gimmicks and the mind-bending phenomenon of Tiger Woods; a maddening universe of hooks and slices where Carl ultimately—and foolishly—agrees to compete in a country-club tournament against players who can actually hit the ball. “That's the secret of the sport's infernal seduction,” he writes. “It surrenders just enough good shots to let you talk yourself out of quitting.” Hiaasen's chronicle of his shaky return to this bedeviling pastime and the ensuing demolition of his self-esteem—culminating with the savage 45-hole tournament—will have you rolling with laughter. Yet the bittersweet memories of playing with his own father and the glow he feels when watching his own young son belt the ball down the fairway will also touch your heart. Forget Tiger, Phil and Ernie. If you want to understand the true lure of golf, turn to Carl Hiaasen, who offers an extraordinary audiobook for the ordinary hacker. BONUS: This edition includes an excerpt from Carl Hiaasen's Bad Monkey.
