Our digital library saves in merged countries, allowing you to acquire the most less latency time to download any of our books in the same way as this one. Merely said, the Witches A Tale Of Scandal Sorcery And Seduction Tracy Borman is universally compatible considering any devices to read.

Witchcraft Myths in American Culture Marion Gibson 2012-08-21 A fascinating examination of how Americans think about and write about witches, from the 'real' witches tried and sometimes executed in early New England to modern re-imaginings of witches as pagan priestesses, comic-strip heroines and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700 and a re-thinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing and visual culture. The discussion includes references to everything from Increase Sizer and Edgar Allan Poe to Joss Whedon (the writer/director of *Buffy the Vampire Slayer*, which includes a Wiccan character) and *The Blair Witch Project*.

The History of Witchcraft in Europe John Ashton 2019-12-18 Witchcraft in Europe was believed to be a combination of sorcery and heresy. While sorcery attempts to produce negative supernatural effects through formulas and rituals, heresy is the Christian contribution to witchcraft in which an individual makes a pact with the Devil. In addition, heresy denies witches the recognition of important Christian values such as baptism, salvation, Christ and sacraments. In Early Modern European tradition, witches were stereotypically, though not exclusively, women. European pagan belief in witchcraft was associated with the goddess Diana and dismissed as "diabolical fantasies" by medieval Christian authors. Witch-hunts first appeared in large numbers during the 14th and 15th centuries. It was commonly believed that individuals with power and prestige were involved in acts of witchcraft and even cannibalism. Schele de Vere

The Devil's Slave Tracy Borman 2019-09-13 The acclaimed author of *The King's Witch* continues her epic trilogy of Jacobean England as conspiracy haunts the court of King James. In the court of King James, lady-in-waiting Frances Gorges was suspected of witchcraft for her healing skills. But when her lover was executed for his role in the Gunpowder Plot, she fled for her life—and that of her unborn child. Now Frances is compelled to return to the dissolute and dangerous court to marry Sir Thomas Tyringham, King James's master of hounds, who has agreed to assume paternity of her son. Meanwhile, whispers of conspiracy continue to echo through the royal palace. Against this perilous backdrop, Frances reunites with her former mistress, the Princess Elizabeth, as well as other less friendly members of the court: Prince Henry, the unscrupulous heir to the crown; Lord Cecil, eager to persecute Frances as a witch; and King James himself, ever more paranoid and cruel towards alleged traitors. But she also discovers a surprising new ally: Sir Walter Raleigh, himself a prisoner in the tower of London. As he makes his intentions known, Frances again finds herself caught in a web of secrets, promises, and plots. Witches Tracy Borman 2014-10-02 September 1613. In Belvoir Castle, the heir of one of England's great noble families falls suddenly and dangerously ill. His body is â€˜tormentedâ€™ with violent convulsions. Within a few short weeks he will suffer an excruciating death. Soon the whole family will be stricken with the same terrifying symptoms. The second son, the last male of the line, will not survive. It is said witches are to blame. And so the Earl of Rutland's sons will not be the last to die. Witches traces the dramatic events which unfolded at one of England's oldest and most spectacular castles four hundred years ago. The case is among those which constitute the European witch craze of the 15th-18th centuries, when suspected witches were burned, hanged, or tortured by the thousand. Like those other cases, it is a tale of superstition, the darkest limits of the human imagination and, ultimately, injustice â€˜ a reminder of how paranoia and hysteria can create an environment in which nonconformism spells death. But as Tracy Borman reveals here, it is not quite typical. The most powerful and Machiavellian figure of the Jacobean court had a vested interest in events at Belvoir. He would mastermind a conspiracy that has remained hidden for centuries.

Fallen Angel Tracy Borman 2021-12-08 In the gripping conclusion to Tracy Borman's Stuart-era trilogy, Frances Gorges must face a dangerous new enemy deep within the court of James I. Life has never been quiet for Frances Gorges at the court of King James, but after finding herself at the center of plots and conspiracies for many years both as an accused witch and a secret Catholic, by 1614 Frances hopes to distance herself from the decadence and ruthlessness of the aging and venal monarch. However, when a handsome stranger appears at a courtier's country estate, he immediately draws the wandering eyes of the King, throwing the established order of the court into upheaval. George Villiers is ambitious and violent, ready to take down whatever—and whoever—stands in his way, including Frances and her husband Sir Thomas Tyringham. New friends and old alliances—from Francis Bacon and Prince Charles to Sir Walter Raleigh—will offer Frances ways to resist the treachery of Villiers, but danger and Catholic plotting always lurks just around the corner, and sometimes from unexpected sources. With her meticulous eye for detail and evocative storytelling, Tracy Borman's *The Fallen Angel* is a riveting conclusion to her trilogy set during the first Stuart monarch's reign.

Fallen Angel Tracy Borman 2020-11-10 The gripping conclusion to the historical trilogy featuring Stuart-era healer Frances Gorges—from the author of *The King's Witch* and *The Devil's Slave*. Life has never been quiet for Frances Gorges at the court of King James, but after finding herself at the center of plots and conspiracies for many years both as an accused witch and a secret Catholic, by 1614 Frances hopes to distance herself from the decadence and ruthlessness of the aging and venal monarch. However, when a handsome stranger appears at a courtier's country estate, he immediately draws the wandering eyes of the King, throwing the established order of the court into upheaval. George Villiers is ambitious and violent, ready to take down whatever—and whoever—stands in his way, including Frances and her husband Sir Thomas Tyringham. New friends and old alliances—from Francis Bacon and Prince Charles to Sir Walter Raleigh—will offer Frances ways to resist the treachery of Villiers, but danger and Catholic plotting always lurks just around the corner, and sometimes from unexpected sources. With her meticulous eye for detail and evocative storytelling, Tracy Borman's *The Fallen Angel* is a riveting conclusion to her trilogy set during the first Stuart monarch's reign. Everything you would want to read in a novel, ranging from palatial royals and intrigues to betrayals to a love story."—Washington Book Review, "Essential Novels for This Summer"

Gypsy Sorcery and Fortune-telling Charles Godfrey Leland 1891 Book may have numerous typos, missing text, images, or index. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1891. Excerpt: ... CHAPTER XIV. ' A GYPSY MAGIC SPELL. HOKKANI BASO LELLIN DUDIKABIN, OR THE GREAT SECRET CHILDREN'S RHYMES AND INCANTATIONS TEN LITTLE INDIAN BOYS AND TEN LITTLE ACORN GIRLS OF MARCELLUS BURDI- GALENSIS. HERE is a meaningless rhyme very common among children. It is repeated while "counting off" --or "out" --those who are taking part in a game, and allotting to each a place. There are many versions of it, but the following is exactly word for word what I learned when a boy in Philadelphia: -- Ekkeri (or ickery), akkery, u-kcry an, Fillisi', follasy, Nicholas John, Queebee - quabee -- Irishman (or, Irish Mary), Stingle 'em--stangle 'em--buck! With a very little alteration This chapter is reproduced, but with much addition, from one in my work entitled "The Gypsies," published in Boston, 1881, by Houghton and Mifflin. London: Trubner Sc Co. The addition will be the most interesting portion to the folk-lorist. in sounds, and not more than children make of these verses in different places, this may be read as follows: -- Ek-keri (yekori) akairi, you kair an, Fillissin, follasy, Nakelas jan Kivi, kavi--Irishman, Stini, stani--buck! This is, of course, nonsense, but it is Romany or gypsy nonsense, and it may be thus translated very accurately: -- First--here--you begin! Castle, gloves. You don't play! Go on! Kivi--a kettle. How are you? Stdni, buck. The common version of the rhyme begins with-- "One--ery--two--ery, ickery an." But one-ery is an exact translation of ek-keri; ek, or yek, meaning one in gypsy. (Ek-orus, or yek-korus, means once). And it is remarkable that in-- "Hickory dickory dock, The rat ran up the clock, The clock struck one, And down he run, Hickory dickory dock." We have hickory, or ek-keri, again followed by a significant one. It may be observed that while my fir...

Demonology and Witch-Hunting in Early Modern Europe Julian Goodare 2020-07-20 Demonology – the intellectual study of demons and their powers – contributed to the prosecution of thousands of witches. But how exactly did intellectual ideas relate to prosecutions? Recent scholarship has shown that some of the demonologists' concerns remained at an abstract intellectual level, while some of the judges' concerns reflected popular culture. This book brings demonology and witch-hunting back together, while placing both topics in their specific regional cultures. The book's chapters, each written by a leading scholar, cover most regions of Europe, from Scandinavia and Britain through to Germany, France and Switzerland, and Italy and Spain. By focusing on various intellectual levels of demonology, from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment, the book offers a thorough examination of the relationship between demonology and witch-hunting. Demonology and Witch-Hunting in Early Modern Europe is essential reading for all students and researchers of the history of demonology, witch-hunting and early modern Europe. Thomas Cromwell Tracy Borman 2015-01-06 "An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." —Alison Weir Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's

rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you.” —The Weekly Standard “An engrossing biography. . . . A fine rags-to-riches-to-executioner’s-block story of a major figure of the English Reformation.” —Kirkus Reviews “An insightful biography of a much-maligned historical figure.” —Booklist

The Fallen Angel Tracy Borman 2020-11-05 Frances Gorges seems destined to be happy at last. King James has apparently lost his appetite for hunting witches, so the medical skills and herbal knowledge that saw Frances accused of witchcraft no longer seem to hang over her like a death sentence. The King would rather be hunting stag and boar - and Frances's beloved husband Thomas is firmly established in the royal household as the Master of Buckhounds. Their family is growing and their estates are secure. But life at court is never without intrigue, jealousy and danger for long, and a new arrival turns the world upside down. George Villiers is a young man with the face of an angel - and as his many enemies are about to discover, the cunning heart of a devil. Soon James is totally in thrall to this charismatic new lover. All the King's former favourites are crushed by Villiers' lies and ruthless scheming. Thomas's life is made a misery and Frances is back under suspicion as Villiers - rapidly made the Earl of Buckingham - moves to secure the hand and fortune of her friend Katherine Manners. Appalled at the courtier's greed and ambition and the King's weakness and lust, Frances finds herself drawn back towards her old friend Sir Walter Raleigh and his last, desperate plot to see a Catholic monarch on the throne. And then her troubles really begin... THE FALLEN ANGEL is a standalone novel of thrilling power and emotional drama. It is also the concluding volume in the KING'S WITCH trilogy, establishing Tracy Borman as one of our leading writers of historical fiction.

The True Story vs. Myth of Witchcraft Frederick George Lee 2019-12-18 Musaicum Books presents to you this ultimate collection about witchcraft: Introduction to Witchcraft: The Superstitions of Witchcraft by Howard Williams The Devil in Britain and America by John Ashton Witchcraft in Europe: History of Magic and Witchcraft: Magic and Witchcraft Lives of the Necromancers Witch, Warlock, and Magician Practitioners of Magic & Witchcraft and Clairvoyance Mary Schweidler, the Amber Witch Sidonia, the Sorceress La Sorcière: The Witch of the Middle Ages Tales & Legends: Witchcraft & Second Sight in the Highlands & Islands of Scotland Witch Stories Studies: The Witch Mania Witchcraft and Superstitious Record in the South-Western District of Scotland Modern Magic Witchcraft in America: The Wonders of the Invisible World Salem Witchcraft Salem Witchcraft and Cotton Mather A History of the Salem Village Witchcraft Trials An Account of the Witchcraft Delusion at Salem in 1682 House of John Procter, Witchcraft Martyr, 1692 Studies: The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism by Samuel Roberts Wells The Witchcraft Delusion in Colonial Connecticut (1647-1697) by John M. The Story of Kensington Palace Tracy Borman 2019-04-04 Today Kensington Palace is synonymous with young royals; it is the official home of TRH The Duke and Duchess of Cambridge and their family, and of TRH The Duke and Duchess of Sussex. It is also famous for being the residence of Diana, Princess of Wales, during the last years of her life, and visitors still flock to the palace to learn about her story. But the history of Kensington stretches back much further. It boasts more than three centuries of continuous royal occupation, making it unique among the Historic Royal Palaces. Formerly a private house enlarged by Christopher Wren in the late 17th century to suit the needs of William and Mary, Kensington Palace was the favoured home of five sovereigns until the death of George II in 1760. William and Mary were attracted by its location in what was then a small village to the west of London, with easy access to the capital but with much cleaner air. This remained its greatest advantage for the following two centuries, before it was overtaken by London's rapid expansion. Nonetheless, surrounded by its gardens, the palace still offers the same privacy and tranquillity that so appealed to its original royal owners. Even after its conversion into a royal residence, the palace remained a rather unprepossessing building, fashioned out of reddish-grey brick. However, this belied its architectural significance, for it was shaped and decorated by some of the country's leading architects, artists, craftsmen and designers, and is now a major national monument. The palace's social and political significance is arguably even greater. Kensington has played host to some of the most important personalities and events in the long history of the royal family. It was the birthplace and childhood home of Queen Victoria, and it was here that she held her first council meeting as monarch in 1837. During the previous century, Kensington had been divided into apartments for the younger generation of royals - an arrangement that continues today. From the late 19th century onwards, it became a visitor attraction, a museum and home to the Royal Ceremonial Dress Collection. Today the palace attracts more than 400,000 visitors a year. In this new illustrated account, Tracy Borman tells the fascinating story of Kensington from private residence to modern-day royal palace, describing not only the development of the building and its magnificent gardens, but also the dramas and intrigues of court life. Its history is set against a backdrop of events that shaped both Britain and its monarchy: from the Jacobite uprisings of the mid-18th century to the rise of industrialization in the 19th, and the turbulence of world war in the 20th. Here, in the domestic surrounds of the palace, the monarchy evolved and modernized in tandem with the times. The story of Kensington Palace is, in short, the story of the modern monarchy.

Henrietta Howard Tracy Borman 2007 Henrietta Howard, later Countess of Suffolk, was the long-term mistress and confidante of King George II. This book provides an insight into the dynamics of the Georgian court, and reveals a woman who was far more than the mistress to the King: a dedicated patron of the arts; and, a lively and talented intellectual in her own right.

WITCHCRAFT & MAGIC - Ultimate Collection Cotton Mather 2019-06-04 "WITCHCRAFT & MAGIC" is a carefully assembled collection of books on witchery, witch trials, demonology and spiritualism. The book is formatted for your eReader with a functional and detailed table of contents: Introduction: The Superstitions of Witchcraft The Devil in Britain and America Witchcraft in Europe: History of Magic and Witchcraft: Magic and Witchcraft Lives of the Necromancers Witch, Warlock, and Magician Irish Witchcraft and Demonology Practitioners of Magic & Witchcraft and Clairvoyance Mary Schweidler, the Amber Witch Sidonia, the Sorceress La Sorcière: The Witch of the Middle Ages Tales & Legends: Witchcraft & Second Sight in the Highlands & Islands of Scotland Witch Stories Studies: The Witch Mania The Witch-cult in Western Europe Witchcraft and Superstitious Record in the South-Western District of Scotland Modern Magic Witchcraft in America: Salem Trials: The Wonders of the Invisible World Salem Witchcraft Salem Witchcraft and Cotton Mather A Short History of the Salem Village Witchcraft Trials An Account of the Witchcraft Delusion at Salem in 1682 House of John Procter, Witchcraft Martyr, 1692 Studies: The Salem Witchcraft, the Planchette Mystery, and Modern Spiritualism The Witchcraft Delusion in Colonial Connecticut (1647-1697) Witchcraft of New England Explained by Modern Spiritualism On Witchcraft: Glimpses of the Supernatural – Witchcraft and Necromancy Letters On Demonology And Witchcraft

King's Mistress, Queen's Servant Tracy Borman 2010-12-15 Henrietta Howard, later Countess of Suffolk, was the long-term mistress and confidante of King George II. She was also, as Tracy Borman's wonderfully readable biography reveals, a dedicated patron of the arts; a lively and talented intellectual in her own right; a victim of adultery; a passionate advocate for the rights of women long before the dawn of feminism. Above all she was a woman of reason in an Age of Reason. The mark that this enigmatic and largely neglected royal mistress left on the society and culture of early Georgian England was to resonate well beyond the confines of the court, and can still be felt today.

Witchcraft, Witch-Hunting, and Politics in Early Modern England Peter Elmer 2016-01-14 Witchcraft, Witch-hunting, and Politics in Early Modern England offers a wide-ranging and original overview of the subject of witchcraft and its place in English society, covering the period from the beginning of witch trials in the early years of the reign of Elizabeth I through to the repeal of the Witchcraft Statute in 1736. In contrast to other approaches to the subject, which have tended to focus on the origins of witchcraft in gender and/or socio-economic explanations, this volume situates belief in witchcraft and witch-hunting within the context of the political and religious debates of the period, shedding new light on the subject through a series of original case studies based on extensive archival research.

The King's Witch Tracy Borman 2018-07-03 The first in a trilogy of historical novels set at the dramatic endpoint of the Tudor reign and the dangerous start of the Stuart era Witch Stories Elizabeth Lynn Linton 1861

The Witches Stacy Schiff 2015-10-27 The Pulitzer Prize-winning author of Cleopatra, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, THE WITCHES is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

Witches: a Tale of Sorcery, Scandal and Seduction Tracy Borman 2013 Witches vertelt een bijzonder verhaal over heksen en de heren van Kasteel Belvoir, gelegen in Leicestershire, Engeland. De zesde graaf (17e eeuw) van Rutland die in het kasteel woonde, verloor zijn twee jonge zonen, zagezegd door hekserij en magie. De auteur komt tot de opvallende conclusie dat deze mysterieuze dood echter niet magisch van aard was, maar dat er zeer waarschijnlijk een heuse hofintrige aan ten grondslag lag. Met andere woorden: een moordcomplot dat vierhonderd jaar verborgen bleef! Het is moeilijk gebleken om alle omstandigheden juist te reconstrueren, vooral omdat er totaal geen rechtsdocumenten overgebleven zijn. Doorheen deze reconstructie beschrijft de auteur het gemeenschapsleven in de streek van Leicester en werpt een licht op de vormen van bijgeloof en irrationele angst die tot de bloedige heksenvervolgingen konden leiden. Margaret en Philippa Flower waren daarvan de slachtoffers. Zij moesten opdraaien voor een moord die zij wellicht niet pleegden.

Witches Tracy Borman 2014-01-01 September 1613. In Belvoir Castle, the heir of one of England's great noble families falls suddenly and dangerously ill. Within a few short weeks he will suffer an excruciating death. Soon the whole family will be stricken with the same terrifying symptoms. The second son, the last male of the line, will not survive. It is said witches are to blame. And so the Earl of Rutland's sons will not be the last to die.

Crown & Sceptre Tracy Borman 2021-11-18 A stunning tour de force and a remarkable achievement.- Alison Weir This is Our Island Story for the modern age. - Charles Spencer 'Not just a brilliant compendium of biographies, but the biography of an institution: a marvellous read' - Tom Holland 'This royal throne of kings, this sceptred isle' (William Shakespeare, Richard II) The British monarchy is the one of the most iconic and enduring institutions in the world. It has weathered the storms of rebellion, revolution and war that brought many of Europe's royal families to an abrupt and bloody end. Its unique survival owes much to the fact that, for all its ancient traditions and protocol, the royal family has proved remarkably responsive to change, evolving to reflect the times. But for much of its history, it also spearheaded seismic change, shaping our religious, political and cultural identity and establishing the British monarchy as the envy of the world. There has never been a more apposite moment to consider the history of this extraordinary survivor. Within the next decade, there is likely to be a change of monarch, sparking renewed global interest on a scale not seen since Elizabeth II's coronation in 1953. Even the media and popular frenzy evoked by recent royal events such as royal weddings and births will not compare to that generated by the accession of a new king. In the lead up to this pivotal moment in Britain's history, Crown & Sceptre explores the history and evolution of the monarchy from 1066 to the present day, feeding the renewed interest not just in the modern royals but in the predecessors who helped shape the institution into what it is today. "Crown and Sceptre shows an astonishing command of a thousand years of the British monarchy, its traditions, roles and realities beyond the pageantry and romance. Beautifully crafted, insightful, and a genuine pleasure to read, it underscores the royal heritage at the heart of a nation." - Lauren Mackay "Crown and Sceptre" combines an eminently accessible narrative with a lucid scholarly lens. Tracy Borman skilfully unravels the trials and triumphs of this ever-shifting institution. By charting both the majesty and mechanics of monarchy, we get a vivid understanding of why its glittering gears shifted over time, and by whom the levers of change were pulled. A triumph.' - Owen Emmerson, Curator at Hever Castle 'Tracy Borman's passion for the British monarch and the crown is infectious and compelling!' - Estelle Paraque 'Borman embraces a huge task' - Gerard DeGroot, The Times Enlightening, gripping and skilfully composed, Tracy Borman navigates the twists and turns of the British monarchy with an expert hand. A pacy narrative that's simply bursting with colour and intrigue, Crown and Sceptre is both powerful and compulsively

readable. A masterpiece. - Nicola Tallis

The Devil's Slave Grove/Atlantic, Incorporated 2020-09-22 The acclaimed biographer of Henry VIII and Thomas Cromwell returns with the second novel in her historical trilogy set in the early years of the treacherous Stuart reign

The King's Witch Tracy Borman 2018-07-03 In the acclaimed historian's debut novel, a lady-in-waiting in the court of King James is caught up in the Gunpowder Plot of 1605. England, 1603. Nursing Queen Elizabeth through her last days, court healer Frances Gorges dreams of her parents' country estate, where she first learned to use the medicinal secrets of flowers and herbs. Frances is happy to stay at home when King James of Scotland succeeds to the throne of England. His court may be shockingly decadent, but his intolerant Puritanism sees witchcraft in many of the old customs—punishable by death. When her ambitious uncle sends Frances back to the royal palace as a nanny to the princess, she is a ready target for the twisted scheming of the Privy Seal, Lord Cecil. As a dark campaign to destroy both King and Parliament gains momentum, Frances is surrounded by danger. She finding happiness only with the King's precocious daughter, and with Tom Wintour, the one courtier she feels she can trust. But even he has secrets to hide...

Bell, Book and Scandal Josh Lanyon 2021-03-31 Black Cats. Black Arts. Blackmail. Must a witch break his vows to save his marriage? Cosmo Saville loves that his husband has finally accepted his witchy ways. And in return, his promise to stay out of police business guarantees them a happily ever after. At least, until he discovers he might be responsible for a dangerous game of blackmail... Police Commissioner John Joseph Galbraith feels relieved that his marriage is back on track. Especially since he has his hands full with a high-profile suicide and rumors of a city-wide extortion ring. But when he stumbles across Cosmo breaking his vow by playing cop, John agonizes over old wounds. With the commissioner's badge and family in jeopardy, Cosmo has no choice but to put his life on the line... Can the witch expose a dark conspiracy, save John's career, and return to love's delicious spell? Bell, Book and Scandal is the third book in the Bedknobs and Broomsticks mystery-romance series. If you like quirky characters, snappy spells, madcap suspense, and Happily Ever Afters, then you'll love Josh Lanyon's bewitching supernatural story.

Its unique survival owes much to the fact that, for all its ancient traditions and protocol, the royal family has proved remarkably responsive to change, evolving to reflect the times. But for much of its history, it also spearheaded seismic change, shaping our religious, political and cultural identity and establishing the British monarchy as the envy of the world. There has never been a more apposite moment to consider the history of this extraordinary survivor. Within the next decade, there is likely to be a change of monarch, sparking renewed global interest on a scale not seen since Elizabeth II's coronation in 1953. Even the media and popular frenzy evoked by recent royal events such as royal weddings and births will not compare to that generated by the accession of a new king. In the lead up to this pivotal moment in Britain's history, Crown & Sceptre explores the history and evolution of the monarchy from 1066 to the present day, feeding the renewed interest not just in the modern royals but in the predecessors who helped shape the institution into what it is today. "Crown and Sceptre shows an astonishing command of a thousand years of the British monarchy, its traditions, roles and realities beyond the pageantry and romance. Beautifully crafted, insightful, and a genuine pleasure to read, it underscores the royal heritage at the heart of a nation." - Lauren Mackay "Crown and Sceptre" combines an eminently accessible narrative with a lucid scholarly lens. Tracy Borman skilfully unravels the trials and triumphs of this ever-shifting institution. By charting both the majesty and mechanics of monarchy, we get a vivid understanding of why its glittering gears shifted over time, and by whom the levers of change were pulled. A triumph.' - Owen Emmerson, Curator at Hever Castle 'Tracy Borman's passion for the British monarch and the crown is infectious and compelling!' - Estelle Paranque 'Borman embraces a huge task' - Gerard DeGroot, The Times Enlightening, gripping and skilfully composed, Tracy Borman navigates the twists and turns of the British monarchy with an expert hand. A pacy narrative that's simply bursting with colour and intrigue, Crown and Sceptre is both powerful and compulsively

readable. A masterpiece. - Nicola Tallis

Crown & Sceptre Tracy Borman 2022-02-22 An in-depth look at the British monarchy that's "a superb synthesis of historical analysis, politics, and top-notch royal gossip" (Kirkus Reviews). Since William the Conqueror, duke of Normandy, crossed the English Channel in 1066 to defeat King Harold II and unite England's various kingdoms, forty-one kings and queens have sat on Britain's throne. "Shining examples of royal power and majesty alongside a rogue's gallery of weak, lazy, or evil monarchs," as Tracy Borman describes them in her sparkling chronicle, Crown & Sceptre. Ironically, during very few of these 955 years has the throne's occupant been unambiguously English—whether Norman French, the Welsh-born Tudors, the Scottish Stuarts, and the Hanoverians and their German successors to the present day. Acknowledging the intrinsic fascination with British royalty, Borman lifts the veil to reveal the remarkable characters and personalities who have ruled and, since the Restoration of the monarchy in 1660, more ceremonially reigned. It is a crucial distinction explaining the staying power of the monarchy as the royal family has evolved and adapted to the needs and opinions of its people, avoiding the storms of rebellion that brought many of Europe's royals to an abrupt end. Richard II; Henry VIII; Elizabeth I; George III; Victoria; Elizabeth II: their names evoke eras and the dramatic events Borman recounts. She is equally attuned to the fabric of monarchy: royal palaces; the way monarchs have been portrayed in art, on coins, in the media; the ceremony and pageantry surrounding the crown. Elizabeth II is already one of the longest reigning monarchs in history. Crown & Sceptre is a fitting tribute to her remarkable longevity and that of the magnificent institution she represents. "Crown & Sceptre brings us in short, vivid chapters from William the Conqueror to Elizabeth herself, much of it constituting a dark record of bumping off adversaries, rivals and spouses, confiscating vast estates and military invasions.... [A] lucid, character-rich book." —Minneapolis Star-Tribune "Borman's deep understanding of English royalty shines." —Chris Schlupe, Amazon Editors' Picks, The Best History Books of February 2022

Dial Sorcery Jo-Ann Carson 2022-03-07 Dial Sorcery Trouble brews when a powerful enchantress fights a curse. When Grigoire the gargoyle asks the enchantress Jane Black to break a curse, her successful storefront for all-things witchy runs into trouble. Using arcane scripts, Jane casts intricate spells to shatter the web of dark magic entrapping Grig, but as they work through the process together, Jane's sorcery creates unexpected consequences in town. While the local wizards, shifters, and mages turn against her, her usual allies offer their assistance. There is Leos a drool-worthy dragon enforcer who is too hot to handle, Alessandro a blackmailing vampire with his own agenda, and her loving family of witches and warlocks who take great delight in swishing their brooms and swords in her business whenever they can. Adding to this pandemonium, her snarky familiar, isn't talking to her. Jane, true to her personal code, is determined to make things better for everyone or die trying. Is Jane's magic strong enough to crack the curse, and mend the town's mojo? Will her full-service sorcery, survive this scandal? Read the Dial Sorcery to find out. Dial Sorcery is the second book in the Dial Witch, urban fantasy trilogy and is part of the Mystic Keep world. It features witches, warlocks, werewolves and vampires, and is filled with humorous adventure and heart-warming romance. It can be read as a standalone.

Royal Witches Gemma Hollman 2019-10-07 'An important and timely book' - Philippa Gregory. Joan of Navarre was the richest woman in the land, at a time when war-torn England was penniless. Eleanor Cobham was the wife of a weak king's uncle – and her husband was about to fall from grace. Jacquetta Woodville was a personal enemy of Warwick the Kingmaker, who was about to take his revenge. Elizabeth Woodville was the widowed mother of a child king, fighting Richard III for her children's lives. In Royal Witches, Gemma Hollman explores the lives of these four unique women, looking at how rumours of witchcraft brought them to their knees in a time when superstition and suspicion was rife.

The Private Lives of the Tudors Tracy Borman 2016-05-19 'Borman approaches her topic with huge enthusiasm and a keen eye for entertaining...this is a very human story of a remarkable family, full of vignettes that sit long in the mind.' Dan Jones, The Sunday Times 'Tracy Borman's eye for detail is impressive; the book is packed with fascinating courtly minutiae... this is a wonderful book.' The Times 'Borman is an authoritative and engaging writer, good at prising out those humanising details that make the past alive to us.' The Observer 'Fascinating, detailed account of the everyday reality of the royals... This is a book of rich scholarship.' Daily Mail 'Tracy Borman's passion for the Tudor period shines forth from the pages of this fascinatingly detailed book, which vividly illuminates what went on behind the scenes at the Tudor court.' Alison Weir 'I do not live in a corner. A thousand eyes see all I do.' Elizabeth I The Tudor monarchs were constantly surrounded by an army of attendants, courtiers and ministers. Even in their most private moments, they were accompanied by a servant specifically appointed for the task. A groom of the stool would stand patiently by as Henry VIII performed his daily purges, and when Elizabeth I retired for the evening, one of her female servants would sleep at the end of her bed. These attendants knew the truth behind the glamorous exterior. They saw the tears shed by Henry VII upon the death of his son Arthur. They knew the tragic secret behind 'Bloody' Mary's phantom pregnancies. And they saw the 'crooked carcass' beneath

Elizabeth I's carefully applied makeup, gowns and accessories. It is the accounts of these eyewitnesses, as well as a rich array of other contemporary sources that historian Tracy Borman has examined more closely than ever before. With new insights and discoveries, and in the same way that she brilliantly illuminated the real Thomas Cromwell - The Private Life of the Tudors will reveal previously unexamined details about the characters we think we know so well.

America Bewitched: The Story of Witchcraft After Salem Owen Davies 2013-02-21 America Bewitched is the first major history of witchcraft in America - from the Salem witch trials of 1692 to the present day. The infamous Salem trials are etched into the consciousness of modern America, the human toll a reminder of the dangers of intolerance and persecution. The refrain Remember Salem! was invoked frequently over the ensuing centuries. As time passed, the trials became a milepost measuring the distance America had progressed from its colonial past, its victims now the righteous and their persecutors the shamed. Yet the story of witchcraft did not end as the American Enlightenment dawned - a new, long, and chilling chapter was about to begin. Witchcraft after Salem was not just a story of fire-side tales, legends, and superstitions: it continued to be a matter of life and death, souring the American dream for many. We know of more people killed as witches between 1692 and the 1950s than were executed before it. Witches were part of the story of the decimation of the Native Americans, the experience of slavery and emancipation, and the immigrant experience; they were embedded in the religious and social history of the country. Yet the history of American witchcraft between the eighteenth and the twentieth century also tells a less traumatic story, one that shows how different cultures interacted and shaped each others languages and beliefs. This is therefore much more than the tale of one persecuted community: it opens a fascinating window on the fears, prejudices, hopes, and dreams of the American people as their country rose from colony to superpower.

Witches of Wherewithal Alexandra Sharp 2020-09-02

Henry VIII and the Men Who Made Him Tracy Borman 2019-08 'An outstanding work of historical artistry, a brilliantly woven and pacy story of the men who surrounded, influenced and sometimes plagued Henry VIII.' Alison Weir Henry VIII is well known for his tumultuous relationships with women, and he is often defined by his many marriages. But what do we see if we take a different look? When we see Henry through the men in his life, a new perspective on this famous king emerges. Henry's relationships with the men who surrounded him reveal much about his beliefs, behaviour and character. They show him to be capable of fierce, but seldom abiding loyalty; of raising men only to destroy them later. He loved to be attended and entertained by boisterous young men who shared his passion for sport, but at other times he was more diverted by men of intellect, culture and wit. Often trusting and easily led by his male attendants and advisers during the early years of his reign, he matured into a profoundly suspicious and paranoid king whose favour could be suddenly withdrawn, as many of his later servants found to their cost. His cruelty and ruthlessness would become ever more apparent as his reign progressed, but the tenderness that he displayed towards those he trusted proves that he was never the one-dimensional monster that he is often portrayed as. In this fascinating and often surprising new biography, Tracy Borman reveals Henry's personality in all its multi-faceted, contradictory glory.

Matilda Tracy Borman 2012-09 Matilda, wife of William the Conqueror, was the first woman to be crowned Queen of England and formally recognised as such by her subjects. Beyond this, however, little is known of her. No contemporary images of her remain, and the chroniclers of her age left us only the faintest clues as to her life. Who was this spectral queen? In this first major biography, Tracy Borman sifts through the shards of evidence to uncover an extraordinary story. Matilda was loving and pious, possessed strength, ambition and intelligence, and was fiercely independent. All of these attributes gave her unparalleled influence over William. But although Matilda would provide an inspiring template for future indomitable queens, it led to treachery, revolt and the fracturing of a dynasty. "Matilda: Queen of the Conqueror" takes us from the courts of Flanders to the opulence of royal life in England. Alive with intrigue, rumour and betrayal, it illuminates for the first time the life of an exceptional, brave and complex queen pivotal to the history of England.

Witches Tracy Borman 2013 September 1613. In Belvoir Castle, the heir of one of England's great noble families falls suddenly and dangerously ill. His body is 'tormented' with violent convulsions. Within a few short weeks he will suffer an excruciating death, and soon the whole family will be stricken with the same terrifying symptoms. The second son, the last of the male line, will not survive. It is said witches are to blame. And so the Earl of Rutland's sons will not be the last to die. Yet this is not a typical case of paranoia or hysteria: the most powerful and Machiavellian figure of the Jacobean court has a vested interest in events at Belvoir, and he masterminds a conspiracy that will remain hidden for centuries...

Elizabeth's Women Tracy Borman 2009 "Elizabeth I was born into a world of women. As a child, she was served by a predominantly female household of servants and governesses, with occasional visits from her mother, Anne Bolyen, and the wives who later took her place. As Queen, Elizabeth was constantly attended by ladies of the bedchamber and maids of honour who clothed her, bathed her and watched her while she ate. Among her family, it was her female relations who had the greatest influence- from her sister Mary, who distrusted and later imprisoned her, to her cousin, Mary, Queen of Scots, who posed a constant and dangerous threat to her crown for almost thirty years. Despite the importance of women in Elizabeth's life, most historians and biographers have focused on her relationships with men. She has been portrayed as a man's woman who loved to flirt with the many ambitious young men who frequented her court. Yet it is the women in her life who provide the most fascinating insight into the character of this remarkable monarch. With them she was jealous, spiteful and cruel, as well as loyal, kind and protective. She showed her frailties and her insecurities, but also her considerable shrewdness and strength. In short, she w
